Notes: The boxed areas of the grid are components of each plan most often used by members when choosing a plan option, but are not all inclusive. **You can refer to the Summary of Benefits and Coverage (SBC) for more information.** KEHP has made every attempt to ensure the accuracy of the benefits outlined in this Benefits Grid. However, if an error has occurred, the benefits outlined in the 2018 Summary Plan Descriptions (SPDs) and Medical Benefit Booklets will determine how benefits are paid. Benefits are subject to the terms, conditions, limitations and exclusions set forth in the SPDs.

*Co-pays do **not** accumulate toward the deductible, but they do accumulate toward the applicable out-of-pocket maximum.

For the **LivingWell CDHP and the **Standard CDHP**, all covered expenses apply to the out-of-pocket maximum. For the **LivingWell PPO** and the **Standard PPO** plans, the out-of-pocket maximum accumulates separately and independently for medical and prescription drug benefits.

*** Certain diabetic drugs are subject to reduced co-pays and co-insurance with no deductibles. A 90-day supply of maintenance drugs is subject to lower co-pays and co-insurance. Select preventive/maintenance drugs bypass the deductible on both CDHPs.

**** Claims are processed based on provider billing type, which may include separate charges from a lab performing services outside of the doctor's office visit.
