The commonwealth provides a service credit contribution based on your service in TRS. If the contribution were to be no longer provided, this additional amount could become your responsibility.

Information about your account regarding years of service, entry date and retirement date are available on Pathway ([mss.trs.ky.gov](http://mss.trs.ky.gov)), the site for secure, online account access for TRS members.

DISCLAIMER/NOTE: Some amounts on this chart are estimated because the TRS contribution for members requires approval by the Board of Trustees, which meets Sept. 20. Also, the Shared Responsibility amount is estimated at \$148.50, but could change when the federal government announces the Medicare Part B premium, which is expected in November. An updated rate chart will be available on the TRS website when these numbers are finalized.
