Re: Medicare Eligible Health Plan (MEHP) Open Enrollment

TRS Medicare Eligible Health Plan (MEHP) Open Enrollment is generally October 15 to December 7 for the effective date of January 1. The MEHP is a Medicare Advantage Plan through UnitedHealthcare and a Medicare Part D Prescription Drug Plan through Express Scripts. You can access benefit materials and the rate chart online at <https://trs.ky.gov>.

Currently, TRS pays all or a portion of the full premium for retirees based on their TRS entry date and years of service credit at retirement. In addition to paying your portion of the MEHP premium (if any), you must pay the Medicare Part B premium directly to Social Security. Reciprocity retirees with service in TRS and KPPA (formerly KRS) should contact TRS and KPPA to determine their premiums. Medicare-eligible spouses of retired members **cannot** enroll during the annual MEHP open enrollment **unless** the retiree is not currently enrolled, and the spouse enrolls with the retiree. If enrolling an eligible spouse, retiree must provide proof of marriage in the form of a marriage certificate or a copy of the top half of your most recent Federal tax return Form 1040 and proof of spouse's enrollment in Medicare Parts A and B. Please note that if Medicare indicates you have gone 63 or more days in a row without other creditable prescription drug coverage you may receive a form asking about any drug coverage you had. Complete the form and return it to Express Scripts by the deadline in the letter. If you do not return the form, you may have to pay a Part D penalty to TRS.

To request this coverage, complete an MEHP enrollment form, attach a copy of the applicant's Medicare card, and return it to TRS no later than December 7 for coverage effective January 1.

If at any time the enrollee's Medicare terminates, is enrolled in another Medicare Advantage Plan or Medicare Part D prescription drug plan, the enrollee's MEHP coverage will be terminated. Please be aware that TRS medical coverage is through the retiree. If at any time the retiree's coverage is terminated, the spouse's coverage will also be terminated.

Your MEHP enrollment is contingent on your Medicare enrollment. Also, if you are enrolled in another Medicare Advantage plan, another Medicare Part D prescription drug plan or your Medicare Part B coverage terminates, your TRS MEHP will be terminated. Upon waiver or termination of the MEHP, if you are the spouse of a TRS retiree, you will not be eligible for future re-enrollment unless you have a valid TRS qualifying event. For TRS retirees, changes after the effective date of your insurance may only be made during Open Enrollment or within 30 days of a qualifying event. Obtaining Medicare Part B is considered a qualifying event for TRS retirees only; but you will only have 30 days from the event to enroll.
