<Date>

Dear <EMPLOYEE FIRST NAME> <EMPLOYEE LAST NAME>:

The time is here to make important decisions regarding your health insurance! Open Enrollment for 2023 is from **October 10 through October 28, 2022**. Check out the materials enclosed with this letter as they contain important information to help you enroll.

You are not required to re-enroll in health insurance for 2023, but we encourage you to review your plan options and ensure the plan you currently have still meets your needs. If you do not enroll during the Open Enrollment period, you will remain in the same health insurance plan option and coverage level as you have in 2022, except if you have the LivingWell Limited High Deductible plan. This plan will not be available in 2023. Find more information on the enclosed Open Enrollment Highlights insert.

Enrolling is easy! Go to **KHRIS.ky.gov**, click on Open Enrollment and start the process.

Important Cross-Reference Information

Cross-Reference Payment Option: The primary planholder must enroll through KHRIS ESS first and make health insurance elections for the whole family. Once the primary planholder has completed enrollment and logged out of KHRIS ESS, the secondary planholder can enroll in their secondary plan as well. If either planholder is an active employee, they may also elect optional dental and/or vision coverage and, if their agency participates, a flexible spending account (FSA).

If you wish to start or end your cross-reference payment option, both planholders must complete a paper application, which can be found at kehp.ky.gov or trs.ky.gov.

TRS Retiree Cross-Referenced with KPPA Retiree: TRS retirees will enroll in KHRIS ESS. All KPPA retirees will enroll in the KPPA START system.

TRS Retiree Cross-Referenced with KCTCS Employee or Retiree: TRS retirees will enroll in KHRIS ESS. All KCTCS employees and retirees will enroll in the KCTCS system.
