The MEHP is a Medicare Advantage PPO medical plan and a Medicare Part D prescription drug plan.

*** Birthdays on the first of the month get Medicare a month early and are eligible for the MEHP one month early.**

TRS spouses that waive this coverage will NOT be permitted to enroll in the future unless they experience a valid qualifying event.

TRS Healthcare Eligibility Due to Employment

Retirees and/or spouses eligible for employer health insurance coverage are **not** eligible for TRS coverage and cannot enroll until employer insurance is no longer available.

INTRODUCTION TO THE TRS MEHP

If your 65th birthday is approaching, it's time to enroll in Medicare. Teachers' Retirement System (TRS) requires all Medicare Eligible Health Plan (MEHP) participants to enroll in Medicare at age 65.

What Now?

Review the Quick Step Guide on the previous page for an overview of enrolling in Medicare and the TRS MEHP. You must enroll in Medicare to be eligible to enroll in the MEHP. Paperless enrollment is recommended for enrolling in the MEHP. See section on paperless MEHP enrollment.

If you have questions after reviewing the enclosed information, please call the TRS Information Center toll-free at 800-618-1687. You can obtain additional information about enrolling in Medicare by contacting your local Social Security office, online at ssa.gov/medicare, Medicare at 800-633-4227, or www.medicare.gov on the web.

What Are the Consequences of Not Enrolling in Medicare, the MEHP or Discontinuing Medicare Coverage?

If you are eligible for Medicare but fail to sign up and get enrolled in Medicare by the first day of your birth month, you will not be enrolled in the TRS MEHP. Once enrolled in Medicare, if you discontinue your Medicare coverage, or your Medicare Part B coverage ends, your TRS MEHP will be terminated. You will also be assessed late enrollment premium penalties by Social Security. If you are a retiree who does not enroll in the MEHP within 30 days of turning 65, you can enroll during open enrollment or within 30 days of experiencing a qualifying event. See below section regarding spouses of retirees.

Notice to Spouses

If you are turning 65 and you are the spouse of a TRS retiree who is turning 65 and you waive this coverage, you will not be permitted to enroll in the future unless you experience a valid TRS qualifying event. A list of qualifying events can be found on our website. Spouses are not permitted to enroll during open enrollment unless the retiree has waived TRS insurance coverage and is enrolling.

DESCRIPTION OF THE TRS MEHP

The MEHP **medical** plan is a UnitedHealthcare (UHC) Medicare Advantage (MA) plan. This plan allows the same in- and out-of-network cost share; therefore, you can see any licensed provider who accepts Medicare patients and Medicare assignment and agrees to bill UHC directly. Show providers your new UHC ID card and have them file claims directly with UHC instead of Medicare.

The MEHP **prescription drug** plan is an Express Scripts Medicare Part D prescription drug plan and consists of a retail drug program and a home delivery program. The retail drug program includes a \$150 annual deductible and is designed for initial and short-term prescriptions to be obtained at a retail network pharmacy. The home delivery program does not require a deductible, is for maintenance prescriptions and allows up to a 90-day supply of medication to be obtained through the Express Scripts home delivery pharmacy service. If you need specific information regarding a prescription cost and/or restriction, you can call the Know Your Rx Coalition at 855-218- 5979 to speak to a pharmacist. To avoid a possible lapse in your medication, obtain a refill through your current plan on the last day of the month prior to the effective date of the MEHP.

Please note: If you enroll in another MA or Part D plan outside of TRS, your UHC and Express Scripts coverage will be terminated immediately. If you are the spouse of a TRS retiree, you will not be eligible for future re-enrollment unless you experience a valid TRS qualifying event.

What is Medicare?

Part A – Most people automatically receive premium-free Part A coverage from Social Security because they, or a spouse, paid Medicare taxes while working. For example, if you began teaching April 1986 or later and taught for 10 years, you paid Medicare taxes that would qualify you for Part A free. **Retirees** who do not receive no-cost Part A automatically are not required to purchase Part A; instead the TRS plan will pay Part A expenses as Medicare would have, excluding the MEHP deductibles and copayments. When you contact Social Security to enroll in Medicare, please make sure they check to see if you qualify for free Part A, not only through your Social Security and/or Medicare tax payments but also through your spouse's. You could qualify through a current spouse, an ex-spouse or a deceased spouse. **Spouses** are required to have Part A to enroll in the TRS MEHP.

Part B – *Everyone* must enroll in Part B and pay a monthly premium to Social Security. Contact Social Security to determine your 2023 Part B monthly premium, which was \$170.10 for the standard premium in 2022. In some cases, your Part B premium could be higher if you fail to enroll when you first become eligible or you fall into a high-income category. (See section regarding higher-income people). If you get Social Security, Railroad Retirement Board or Civil Service benefits, your Part B premium will be deducted from that benefit payment. Otherwise (as is the case for many retired teachers), you'll get a quarterly bill called a Notice of Medicare Premium Payment Due. Follow the instructions and pay the total amount prior to the due date. You can pay by check, money order or credit card, or sign up for Medicare Easy Pay, a free service that automatically deducts your premiums from your bank account each month. Call Medicare to request an Easy Pay form.

If you fail to enroll in Part B, you will not be enrolled in the TRS MEHP. If at any time while enrolled in the MEHP, your Medicare coverage lapses due to non-payment or any other reason, you will be terminated from the TRS MEHP and you will be responsible for the actual cost of any claims. Upon termination, you may be ineligible for future re-enrollment.

Part D – Medicare Part D is prescription drug coverage available to anyone who is enrolled in Medicare Part A and/or Part B. Express Scripts Medicare®(PDP) for TRS is the Medicare Part D prescription drug coverage through the MEHP. **If you enroll in another Medicare Part D plan outside of TRS or you are a high-income person and don't pay the Part D premium owed to Social Security, your MEHP will be terminated.** Upon termination, you may be ineligible for future re-enrollment. Just like Medicare Part B, Medicare Part D requires monthly income-adjusted premium payments to Social Security.

Higher-Income People

Medicare law requires higher-income persons to pay higher premiums to Social Security for Medicare Part B and Medicare Part D. If your modified adjusted gross income (MAGI) as reported on your Internal

Revenue Service (IRS) tax return from two years ago is above a certain amount, you will pay an extra amount directly to the government (not TRS) for your Medicare Part B and D coverage. If you must pay an extra amount, the Social Security Administration will send you a letter telling you what that extra amount will be and how to pay it. If you are required by law to pay the extra amount and you do not pay it, you will be disenrolled from the TRS Medicare Eligible Health Plan.

Benefit Booklets and ID Cards

After your coverage begins you will receive an Evidence of Coverage booklet from UHC and Express Scripts. If your MEHP enrollment form is submitted to TRS in a timely manner and Medicare approves your enrollment, you should receive ID cards before your coverage is effective. On the effective date of coverage, if UHC and Express Scripts have processed your enrollment, you can access a letter of medical coverage or print a temporary ID card by registering at retiree.uhc.com/trs and express-scripts.com.

Paperless Medicare Eligible Health Plan (MEHP) Enrollment

Complete the MEHP application online through the secure Pathway member self-service portal at <https://mss.trs.ky.gov/>. Each person applying for the MEHP must submit an application. Statements of Understanding

By enrolling in this plan, I agree to the following:

- ✓ **This is a Medicare Advantage plan contracted with the federal government. This is not a Medicare Supplement plan.**

I need to keep my Medicare Part A, if entitled or required by TRS as a condition of eligibility for enrollment, and Part B, and continue to pay my Medicare Part B and, if applicable, Part A premiums, if they are not paid for by Medicaid or a third party. To be eligible for this plan, I must live in the plan's service area and be a United States citizen or be lawfully present in the U.S.

- ✓ **The service area includes the 50 United States, the District of Columbia and all U.S. territories.**

I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.

- ✓ **I can only have one Medicare Advantage plan at a time.**

- Enrolling in this plan, which is sponsored by my former employer, union or trust group (TRS), will automatically disenroll me from any other Medicare health plan.
- If I enroll in a different Medicare Advantage plan, I will be automatically disenrolled from this plan.
- If I disenroll from this plan, I will be automatically transferred to Original Medicare.
- Enrollment in this plan is for the entire plan year, however, I may leave the plan at any time of the year by sending a written request to TRS at 479 Versailles Rd., Frankfort KY, 40601. I may also fax this request to 502-573-0199.

- ✓ **My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.**

Medicare may also release my information for research and other purposes that follow all applicable Federal statutes and regulations.

- ✓ **For members of the Group Medicare Advantage plan.**

I understand that when my coverage begins, I must get all of my medical benefits from the plan. Benefits and services provided by the plan and contained in the Evidence of Coverage (EOC) document will be covered. Neither Medicare nor the plan will pay for benefits or services that are not covered.

Teachers' Retirement System of the State of Kentucky (TRS) has chosen the Know Your Rx Coalition to manage your Medicare (Part D) prescription benefit plan, **Express Scripts Medicare®(PDP)**, through the TRS Medicare Eligible Health Plan (MEHP).

This includes:

- Access to a Know Your Rx Coalition Pharmacist at 855-218-5979
- A national network of over 65,000 pharmacies
- Home delivery for your medications through Express Scripts Pharmacy®
- Accredo Pharmacy for your specialty medications
- A 24-hour, 365-day-a-year Patient Care Contact Center at Express Scripts

How to Get Prescriptions from a Participating Retail Pharmacy

Before your coverage begins, you will receive a welcome package that contains, among other things, an ID card. You will need to show this ID card to your pharmacist each time you fill a prescription. The retail pharmacy program includes a deductible stage.

How to Get Prescriptions from Express Scripts Home Delivery

Take advantage of savings and convenience by using Express Scripts Pharmacy home delivery program for your maintenance medications. The Express Scripts Pharmacy home delivery program does not have a deductible, like retail does. **To begin Express Scripts Pharmacy home delivery (even if you already use home delivery through the KEHP), first ensure you have at least a 14-day supply of your medication(s) on hand** because you must wait until your MEHP effective date before you can send in **new** prescriptions. You can mail your prescription written for a 90-day supply (including refills) along with your completed Express Scripts Pharmacy home delivery form in the self-addressed envelope you receive in your welcome package. The form is only required the **FIRST** time you send in a new prescription. Usually a home delivery pharmacy order will get to you in no more than 10 days. However, sometimes your home delivery may be delayed. Make sure you have at least a 14-day supply of medication on hand. To refill your home delivery medication, contact Express Scripts by visiting express-scripts.com to create a member account, or by calling 877-866-5834.

Facts about your Medicare Part D Prescription Drug Coverage

Express Scripts Medicare® (PDP) for Teachers' Retirement System of the State of Kentucky (TRS) is "offered by Medco Containment Life Insurance Company and Medco Containment Insurance Company of New York (for members located in New York State only)," which contracts with the Federal government. This coverage is Medicare Part D coverage and is in addition to your coverage under Medicare Parts A and B. You must keep your Medicare Parts A and/or B coverage in order to qualify for this plan. You must inform your former employer of any other prescription drug coverage you may have.

Enrollment Requirements

You can only be in one Medicare prescription drug plan at a time. If you are currently enrolled in a Medicare prescription drug plan, a Medicare Advantage Plan with prescription drug coverage or an individual Medicare Advantage Plan not sponsored by Teachers' Retirement System of the State of Kentucky (TRS), your enrollment in Express Scripts Medicare will end that coverage.

You must live within the 50 U.S. states, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, Guam, the Northern Mariana Islands or American Samoa, and be a U.S. citizen or lawfully present in the United States to participate in this plan. It is your responsibility to inform your former employer of any address changes.

Generally, Medicare limits when you can make changes to your coverage. You can join a new Medicare prescription drug plan only during the Annual Enrollment Period (October 15 to December 7), unless you qualify for certain special circumstances. Your former employer may have an annual enrollment period that differs from the Medicare time frame.

If you leave this plan and don't get other creditable prescription drug coverage (coverage that is at least as good as Medicare's coverage) for 63 or more days, you may have to pay a late enrollment penalty in addition to your premium for Medicare prescription drug coverage in the future.

If you decide not to participate in this coverage, you can contact Medicare at 1.800.MEDICARE (1.800.633.4227), 24 hours a day, 7 days a week, for assistance with selecting another Part D plan. TTY users should call 1.877.486.2048.

Plan Rules and Limitations

Express Scripts Medicare has formed a network of pharmacies. You may get your drugs at network retail pharmacies or a network home delivery pharmacy. Network pharmacies must generally be used except in cases of an emergency.

As a Medicare beneficiary, you have the right to file a grievance or appeal plan decisions about payment or services if you disagree. For more information about these processes, call Express Scripts Medicare Customer Service at the number on the back of your member ID card or review the *Evidence of Coverage*. A copy of the *Evidence of Coverage* is located on our website at express-scripts.com or you may call Customer Service to request a copy.

The Centers for Medicare & Medicaid Services must approve Express Scripts' plan each year. You can continue to get Medicare coverage as a member of this plan only as long as both Express Scripts and your former employer choose to continue to offer this plan, and CMS renews its approval of the Express Scripts plan.

Extra Help Program

Medicare beneficiaries with low or limited income and resources may be able to get Extra Help to pay for prescription drug premiums and costs, as well as get help with other Medicare costs. Annual Income and Extra Part D Amount

Some people may have to pay an extra amount for this coverage because of their yearly income. If you have to pay an extra amount, the Social Security Administration – not your Medicare plan – will send you a letter telling you what that extra amount will be and how to pay it. If you have any questions about this extra amount, contact the Social Security Administration at 1.800.772.1213 between 8 a.m. and 7 p.m., Monday through Friday. Retirees (under 65) should utilize the KEHP Rate Chart to determine the monthly Parent Plus cost. **You may disregard the remaining information below because it does not pertain to your situation.**

Retirees (under 65) should utilize the KEHP Rate Chart to determine the monthly Parent Plus cost.

TRS will deduct insurance premiums from your monthly annuity unless the cost exceeds your annuity. In that case, TRS will withhold your net annuity (if any) and withdraw the remaining balance owed from your bank account on file with TRS.
