##### 1. Adoption of Conflict of Interest and Confidentiality Policy

Pursuant to the provisions of KRS 161.250, the Board of Trustees (board) of the Teachers' Retirement System of the State of Kentucky (TRS) is vested with the responsibility for the general administration and management of the retirement system. The Board may adopt procedures necessary to conduct the business of the retirement system as needed. The law shall control if any inconsistency exists between the law and this policy.

##### 2. Statement of Conflict of Interest and Confidentiality Policy

TRS recognizes the need to maintain the public's confidence and trust in the integrity of TRS and the Commonwealth of Kentucky. - 2) Potential conflicts of interest exist when an individual or an individual's family may be directly or indirectly financially impacted, whether favorably or detrimentally, by a decision made by TRS in which the individual participates.
- 3) Individuals and their family members should not enter into any contract with TRS or any agency doing business with TRS for financial gain, apart from an employment contract, without full disclosure and satisfactory management of any potential conflict of interest in accordance with the Executive Branch Code of Ethics and this policy.
- 4) Individuals should not be involved in the decision to hire or in the supervision of any member of their family as defined by the Executive Branch Code of Ethics.
- 5) Individuals should not conduct business or participate in decisions with a company or agency in which the individual or family member is employed or is actively seeking employment.
- 6) Individuals should not accept campaign contributions, gifts, loans, gratuities, discounts, services or other compensation under circumstances from which it could reasonably be inferred that a major purpose of the donor is to influence the individual in the performance of their duties for TRS.
- 7) Individuals must avoid all conduct that in any way might lead the public to believe that the individual is using his or her position with TRS to further a professional, political or private interest.
- 8) Individuals not covered by the conflict of interest provisions under KRS Chapter 11A must not violate any conflict of interest statute or principle by the performance of their duties with TRS. These individuals must not engage directly or indirectly in any financial or other transaction with a trustee or employee of TRS that would violate the standards of the Executive Branch Ethics provisions, as set forth in KRS Chapter 11A.
