INTRODUCTION

1. Adoption of Conflict of Interest and Confidentiality Policy

Pursuant to the provisions of KRS 161.250, the Board of Trustees (board) of the Teachers' Retirement System of the State of Kentucky (TRS) is vested with the responsibility for the general administration and management of the retirement system. The Board may adopt procedures necessary to conduct the business of the retirement system as needed. The law shall control if any inconsistency exists between the law and this policy.

2. Statement of Conflict of Interest and Confidentiality Policy

TRS recognizes the need to maintain the public's confidence and trust in the integrity of TRS and the Commonwealth of Kentucky. Individuals associated with TRS must not engage in activities that have the potential to become a conflict of interest in their association with TRS. Likewise, individuals associated with TRS must not release information about TRS or any of its members that would breach any duty to protect such information. TRS recognizes the need to establish procedures to prevent such conflicts or breaches.

3. Purpose

The purpose of this Conflict of Interest and Confidentiality Policy is to: establish which individuals are subject to TRS's conflict of interest provisions; establish the specific standards of conduct with regard to conflict of interest; establish standards with regard to the confidentiality of information; and establish procedures for obtaining written conflict of interest statements and confidentiality agreements from certain individuals.

4. Procedures Regarding Conflicts of Interest and Confidentiality

B. Standards of Conduct Regarding Conflicts of Interest

- 1) Individuals have an obligation to diligently identify, disclose, avoid and manage conflicts of interest.
- 2) Potential conflicts of interest exist when an individual or an individual's family may be directly or indirectly financially impacted, whether favorably or detrimentally, by a decision made by TRS in which the individual participates.
- 3) Individuals and their family members should not enter into any contract with TRS or any agency doing business with TRS for financial gain, apart from an employment contract, without full disclosure and satisfactory management of any potential conflict of interest in accordance with the Executive Branch Code of Ethics and this policy.
- 4) Individuals should not be involved in the decision to hire or in the supervision of any member of their family as defined by the Executive Branch Code of Ethics.
- 5) Individuals should not conduct business or participate in decisions with a company or agency in which the individual or family member is employed or is actively seeking employment.
- 6) Individuals should not accept campaign contributions, gifts, loans, gratuities, discounts, services or other compensation under circumstances from which it could reasonably be inferred that a major purpose of the donor is to influence the individual in the performance of their duties for TRS.
- 7) Individuals must avoid all conduct that in any way might lead the public to believe that the individual is using his or her position with TRS to further a professional, political or private interest.
- 8) Individuals not covered by the conflict of interest provisions under KRS Chapter 11A must not violate any conflict of interest statute or principle by the performance of their duties with TRS. These individuals must not engage directly or indirectly in any financial or other transaction with a trustee or employee of TRS that would violate the standards of the Executive Branch Ethics provisions, as set forth in KRS Chapter 11A.

CONFLICT OF INTEREST STATEMENT**

I, Michael S. Jordan, in my role as external counsel for investments for the Teachers' Retirement System of the State of Kentucky (TRS), recognize the need to maintain the public's confidence and trust in the integrity of TRS and the Commonwealth of Kentucky.

I understand that I have the obligation to diligently identify, disclose, avoid and manage conflicts of interest that may arise through my relationship with TRS.

I will conduct my activities with TRS so that I do not advance or protect my own interests or the private interests of others with whom I have a relationship in a way that is detrimental to the interests of TRS.

In every instance in which I am acting on behalf of TRS, I will conduct my activities in a manner to best promote the interests of TRS.

I agree not to attempt to influence TRS in disregard of the public interest at large.

In all matters where an official decision must be made that may favorably or detrimentally impact my own financial interests or the financial interests of other individuals or organizations with whom I have a relationship, I will reveal that relationship and abstain from involvement in the official decision.

When a conflict of interest arises, or when a potential conflict of interest arises, I will disclose that conflict or potential conflict to my contact person at TRS and seek resolution of that issue.

I agree not to violate any conflict of interest statute or principle by the performance of my duties with TRS, including the TRS Conflict of Interest and Confidentiality Policy (policy). I will not engage, directly or indirectly, in any financial or other transaction with a trustee or employee of TRS that would violate the Executive Branch Ethics law (as set forth in KRS Chapter 11A); applicable provisions of KRS 161.430; or the policy.
