

Your 2025 Benefits Selection Guide from the Personnel Cabinet

Open enrollment is October 7 – October 25, 2024

LivingWell Promise for 2025:

All planholders must take the Castlight Health Assessment.

This Benefits Selection Guide is published annually, before Open Enrollment, to help you make benefit choices.

This guide can be used throughout 2025 for new employees and when there is a qualifying event that permits a benefit change.

Welcome

This Benefits Selection Guide (BSG) is available to review when making benefit selections for you and your family. It is published annually, to help you make benefit choices during Open Enrollment. You can also use this guide to select benefits as a new employee or if you experience a qualifying event during the year. It is very important that you thoroughly read this guide, so you are aware of the many benefits that are available to you.

Pay close attention to the important information you will need to review while making your benefit elections:

- Health, dental, vision, and life insurance plan options
- Premiums
- Benefit grids
- Flexible Spending Accounts (FSA)
- Waiving health insurance

It's your choice to select the benefits that are best for you. Neither the Kentucky Employees' Health Plan (KEHP) nor your employer can make this decision for you. If you have questions, refer to the Contact Information on page 33 to find who can best answer your question.

Open Enrollment Highlights

Health Insurance Premiums and Benefits

- There are four health plan options to choose from for 2025. The new plan is a High Deductible Health Plan (HDHP). More information about this new plan is on page 8.
- There will be no employee increase in health insurance premium contributions for 2025.
- There will be no changes to co-pays, co-insurance, deductibles, or maximum out-of-pocket amounts.

Dental and Vision Plans

- There will be no increase in dental or vision premiums in 2025.

Life Insurance

- There will be no changes to optional life insurance premiums in 2025.
- During Open Enrollment you can add or increase optional life insurance for yourself or your spouse without a Statement of Health.

Although you can make changes to life insurance on your dependent children (under age 26) at any time during the year, Open Enrollment is a good time to evaluate your insurance needs and whether you need to add or increase life insurance on your dependents.

You can also enroll in life insurance if you are a new employee or if you have a life-changing event, such as gaining a new child, getting married, or getting divorced.

Don't Miss Out!

You must take action to take advantage of certain benefits available to you.

Mandatory enrollment is required if you want:

- the Waiver General Purpose HRA,
- a Healthcare Flexible Spending Account, or
- a Child & Adult Daycare Flexible Spending Account.

Your failure to affirmatively enroll in these benefits will result in the loss of benefits and carryover funds, see sections on these benefits for additional information.

Other Enrollment Circumstances

You MUST enroll if:

- You want to change your health insurance plan.
- You want to add or drop dependents.
- You want to change or elect a dental or vision plan.
- You want to change or elect an optional life insurance plan for you or your dependents.

Although you may not be required to re-enroll, we encourage you to review your plan options and ensure that the plan you currently have still meets your needs.

You don't have to enroll if:

- You want to keep your current health insurance plan.
- You currently have a Waiver Limited Purpose HRA and you want to keep it.
- You are a Kentucky Public Pension Authority (KPPA) or Teachers' Retirement System (TRS) retiree under the age of 65 who returned to work and want to keep your current health insurance plan with your active employer.
- You want to keep your current dental and vision insurance plan.

Open Enrollment Highlights

Benefit Fairs

You can choose to attend one of the five in-person benefit fairs below, or view pre-recorded webinars.

Scan the QR code to be directed to the Open Enrollment information site.

What's New or Changing for 2025!

New Plan Option

The LivingWell High Deductible Health Plan (HDHP) is the new Plan Option for 2025. This is a catastrophic-type of coverage. You may benefit from this Plan if you have a Health Savings Account (HSA) not from KEHP. Read more information under Health Insurance on page 8.

Fill Specialty Drugs at any Specialty Pharmacy

Specialty drugs are no longer required to be filled through CVS Specialty Pharmacy. Members can obtain specialty drugs at any in-network specialty pharmacy, including CVS Specialty Pharmacy. The same cost share (either a copay or deductible/coinsurance depending on plan option) will apply at either CVS or non-CVS Specialty pharmacies.

PrudentRx

The PrudentRx program is no longer available to KEHP members due to recent changes to law. Members are encouraged to research and apply copay cards or drug cost assistance cards when they pick up covered drugs at the pharmacy.

Default Plan - New Hires

New employees who fail to enroll in a health plan within 30 days of their hire date will be automatically enrolled in the Waiver without HRA.

Flexible Spending Account (FSA)

The amount you can contribute to a Healthcare Flexible Spending Account will increase to \$3,200 per year. The carryover maximum will increase to \$640 per year from 2025 to 2026.

Health Insurance

The Kentucky Employees' Health Plan (KEHP) offers four health insurance plan options. The new plan option for 2025 is the LivingWell HDHP, which is a high-deductible health plan. Review the details below to see which plan option is best for you and your family. There are more plan specifics in this guide and in the Medical Benefit Booklet for each plan.

LivingWell CDHP

Do you want to pay lower premiums and receive money in an HRA to help reduce your deductible? The LivingWell CDHP may be the plan for you.

- It's the best value of the plans offered by KEHP.
- It is recommended for those who have a little or a lot of healthcare expenses.
- All covered services, except for certain items like preventive care and a few specific prescriptions, are subject to the deductible.
- Once you meet the deductible, the plan will pay 80% of covered expenses and you will pay a 20% co-insurance.
- Both your medical and pharmacy expenses apply to the deductible and the maximum out-of-pocket.
- Once your maximum out-of-pocket is met, your covered medical and pharmacy claims will be paid at 100%.

You will receive HRA funds through a HealthEquity debit VISA Healthcare Card.

- The card is pre-funded with \$500 if you have single coverage, or \$1,000 if you have couple, parent-plus, or family coverage levels.
- Use the HRA funds to help pay for your co-insurance, which reduces your deductible.
- Use this card at your doctor's office, hospital, or pharmacy. Simply swipe the card to help pay for your eligible expenses, which will be deducted from your card balance.
- You can also use this card to pay for eligible vision and dental expenses. These expenses do not reduce your deductible.
- Your HRA funds may roll over to a subsequent year, up to a maximum of \$7,500.

LivingWell PPO

Are you willing to pay more in premiums to limit your out-of-pocket costs to a co-payment for certain services? The LivingWell PPO may be the plan for you.

- Co-pays apply to doctor's office visits, allergy serum, allergy shots, urgent care centers, and non-specialty prescriptions.
- An emergency room co-pay, plus your deductible and then co-insurance, will apply when you use an emergency room.
- Your co-pays will not apply to your deductible.
- Your co-pays will apply to your maximum out-of-pocket. Once your out-of-pocket is met, no other co-pays apply.
- Most expenses are subject to the deductible and then covered at 75%.
- This plan has two maximum out-of-pocket amounts – one for medical expenses and the other for prescription expenses. They accumulate separately, which means you may pay more out of your pocket depending on your expenses.

LivingWell Basic CDHP

How about more basic health insurance coverage and lower premiums, and an HRA to help reduce your deductible? LivingWell Basic CDHP is just that.

- This is basic coverage for a lower premium.
- You will pay 30% for covered services after you meet your deductible.
- Both your medical and pharmacy expenses apply to the maximum out-of-pocket.
- Once your maximum out-of-pocket is met, your covered medical and pharmacy claims will be paid at 100%.

You will receive HRA funds through a HealthEquity debit VISA Healthcare Card.

- The card is pre-funded with \$250 if you have single coverage, or \$500 if you have couple, parent-plus, or family coverage levels.
- Use the HRA to help pay for your co-insurance, which reduces your deductible.
- Use this card at your doctor's office, hospital, or pharmacy. Simply swipe the card to help pay for your eligible expenses, which will be deducted from your card balance.
- You can also use this card to pay for eligible vision and dental expenses. These expenses do not reduce your deductible.
- Your HRA funds may roll over to a subsequent year, up to a maximum of \$7,500.

Health Insurance

New Plan Option for 2025

LivingWell High Deductible Health Plan (HDHP)

Do you want to pay lower premiums in exchange for higher out-of-pocket costs? The LivingWell HDHP may be the plan for you.

- This is a catastrophic-type of health plan, with higher deductibles and lower premiums.
- It is recommended for those who expect to have lower overall healthcare expenses and only need preventive care.
- If you have a Health Savings Account (HSA), you can use it with this plan. HSAs are not available through KEHP.
- You don't have to have an HSA to elect this plan.
- All covered services, except for qualified preventive care are subject to the deductible.
- Unlike other KEHP plan offerings, the HDHP does not have separate single and family deductibles accumulating simultaneously; only one deductible will apply ("single" if single-only coverage or the higher "family" deductible if any other option is elected).
- Once you meet the deductible, the plan will pay 70% of covered expenses and you will pay a 30% co-insurance.
- Both your medical and pharmacy expenses apply to the deductible and the maximum out-of-pocket.
- Once your maximum out-of-pocket is met, your covered medical and pharmacy claims will be paid at 100%.

Many complementary benefits offered under the other three health plan options are not covered under the HDHP, including:

- Carrum Health
- Hinge Health
- LivingWell Health Clinics
- LiveHealth Online
- UK Acupuncture

However, some of the above services may be available to you once your deductible for the plan year is met.

Notes: The boxed areas of the grid are components of each plan most often used by members when choosing a plan option, but are not all inclusive. You can refer to the Summary of Benefits and Coverage (SBC) for more information. KEHP has made every attempt to ensure the accuracy of the benefits outlined in this Benefits Grid. If an error has occurred, the benefits outlined in the 2025 Summary Plan Descriptions (SPDs) and Medical Benefit Booklets will determine how benefits are paid. Benefits are subject to the terms, conditions, limitations, and exclusions set forth in the SPDs.

- Co-pays do not accumulate toward the deductible, but they do accumulate toward the applicable maximum out-of-pocket. Once your maximum out-of-pocket is met, you do not have to pay any more co-pays.
- Certain drugs to treat diabetes, COPD, asthma, and hypertension are subject to reduced co-pays and co-insurance with no Deductibles. A 90-day supply of maintenance drugs may be subject to lower co-pays and co-insurance. Select preventive/maintenance drugs bypass the deductible on the CDHPs.
- Claims are processed based on provider billing type, which may include separate charges from a lab performing services outside of the doctor's office visit.

* The HDHP has a non-embedded deductible which means all family members share a deductible and out-of-pocket (OOP) maximum, regardless of the number of family members. The entire deductible must be met before any one family member receives benefits. The entire OOP must be met before the family has satisfied the OOP maximum.

2025 Monthly Premium Contributions for Non-Tobacco Users

Who completed the LivingWell Promise in 2024 for 2025

* Family Cross-Reference is not an available payment option if you are hired on January 1, 2025 or after.

Prescription Drug Coverage

All health plan options have prescription drug coverage. CVS/Caremark manages the prescription benefits for KEHP, but you do not have to use a CVS pharmacy. Go to any in-network pharmacy that you choose and get a 30-day or 90-day supply of drugs! If you prefer to have your prescriptions delivered to your door, use the CVS/Caremark retail mail-order program.

Sign up at caremark.com

Your drug coverage is limited to drugs on the Value Formulary. You can view both the condensed and detailed versions of the Value Formulary at kehp.ky.gov or caremark.com. Some drugs are subject to prior authorization. An appeals process is available for drugs not covered under the Value Formulary or for drugs prescribed by a physician where usage or dosage is contrary to FDA approval. For specific questions about your prescriptions, contact CVS/Caremark at **866-601-6934**.

You may want to share the formulary listing with your primary care physician or other providers.

Preventive Therapy Drug Benefit — Bypass Your Deductible (LivingWell CDHP, LivingWell Basic CDHP and the LivingWell HDHP only)

If you have the LivingWell CDHP, LivingWell Basic CDHP, or the LivingWell HDHP you only have to pay for the co-insurance amount for medications on the Preventive Therapy Drug Benefit list without having to first meet your deductible. This list includes medications you need on a regular basis to prevent conditions, such as high blood pressure or high cholesterol. You can see the Preventive Therapy Drug Benefit list at kehp.ky.gov.

CVS Weight Management Program

You may benefit from the CVS Weight Management program. This program provides the customized nutrition planning and coaching support you need for lasting results.

The program will help you reach your weight loss goals through:

- One-on-one support from a team of clinicians, including providers and registered dietitians.
- A nutrition plan personalized just for you.
- The Weight Coach app with helpful guides, recipes, goal setting, and much more.
- A connected bodyweight scale and other devices, as applicable, to support and track your progress.

There is no cost to you to participate in this program, but you will be responsible for your deductible, co-insurance, or co-pay for any drugs and supplies. Participation in the program may be required to have certain weight loss drugs covered.

You can call **800-706-9317** to speak with a clinician to learn more.

HEALTH ACTION

CVS/Caremark has a **Check Drug and Cost Coverage** tool that is helpful in comparing the cost of drugs at nearby pharmacies. The lower the cost of the drug, the less you will pay in co-insurance (except for the LivingWell PPO plan, which offers a fixed co-pay for prescription drugs). Sign in at caremark.com, select **Plan & Benefits**, and choose **Check Drug and Cost Coverage**.

Prescription Drug Coverage

Value Benefits for Diabetes, COPD, Asthma, and Hypertension

As costs of prescription drugs continue to rise, KEHP wants to help you by reducing what you have to pay! For several years, KEHP has offered Value Benefits, and we now know that you are being more compliant in taking your medications – because they cost you less! This is effective in improving your health, saving you money, and reducing plan costs. It's a win-win for all!

The Value Benefit for diabetes, COPD, asthma, and hypertension means your costs are reduced if you receive maintenance prescriptions or supplies. Some examples include:

- Inhalers
- Pressure machines
- Infusion pumps
- Blood pressure monitoring devices
- Cardiac monitors
- Supplies and durable medical equipment

You will pay a reduced co-pay and/or co-insurance, and you won't have a deductible.

See the chart below for the cost that you will pay. The maximum you will pay for a 30-day supply of insulin is \$30.

Most supplies and durable medical equipment related to diabetes, COPD, asthma, and hypertension are covered in full with **NO DEDUCTIBLE**.

Value Benefit Design	LivingWell CDHP	LivingWell PPO	LivingWell Basic CDHP	LivingWell HDHP
1 to 30 - Day Supply (Retail)	(No Deductible)		(No Deductible)	(No Deductible)
Tier 1 – Generic	0%	\$0	0%	0%
Tier 2 – Formulary	10%	\$25	25%	25%
31 to 90 - Day Supply (Retail or Mail Order)	(No Deductible)		(No Deductible)	(No Deductible)
Tier 1 – Generic	0%	\$0	0%	0%
Tier 2 – Formulary	10%	\$50	25%	25%

Waiver General Purpose HRA

NOTE: You MUST log in to KHRIS during open enrollment and re-enroll in the Waiver General Purpose Health Reimbursement Arrangement (HRA) to continue to receive the employer contribution of \$2,100 and receive any carryover funds.

The balance remaining in your Waiver General Purpose HRA (up to \$2,100) at the end of 2025 will carry over to 2026 as long as you continue to waive your health insurance coverage and elect the Waiver General Purpose HRA.

If you don't need health insurance, you may be eligible for the Waiver General Purpose HRA. The HRA covers medical, dental, and vision services that your health insurance plan doesn't cover, such as the deductible and other out-of-pocket costs.

You will be eligible for a Waiver General Purpose HRA only if you have other employer-sponsored health insurance. You can use this HRA for you and your dependents as long as you can attest that all persons covered under the Waiver General Purpose HRA have other employer-sponsored group health insurance coverage.

Your employer will contribute \$175 per month, up to \$2,100 per year, to your HealthEquity debit VISA Healthcare Card. It will be funded in two equal installments: \$1,050 on January 1 and \$1,050 on July 1.

You have a 90-day run-out period until March 31, 2026, to request reimbursement for eligible expenses that occurred between January 1, 2025, and December 31, 2025.

Expenses that may be reimbursed under your Waiver General Purpose HRA include:

- Medical and prescription expenses, including over-the-counter (OTC) medications, feminine products, and certain protective equipment, such as face masks and hand sanitizer.
- Co-payments and co-insurance.
- Certain dental fees, such as fees for exams, cleanings, fillings, and crowns.
- Orthodontic treatment.
- Vision fees, including fees for exams, contacts, eyeglasses, and laser vision correction.
- Medical supplies, such as wheelchairs, crutches, and walkers.

HEALTH ACTION

Who Is Eligible to Waive Coverage and Receive the Waiver General Purpose HRA

- Any active employee of a state agency, school board, or certain quasi-governmental agencies, who is eligible for state-sponsored health insurance coverage, and who has other employer-sponsored health insurance.
- A retiree who has returned to work who has other group health insurance (not with KPPA or TRS).

Who Is Not Eligible

- An employee of an agency that does not participate in KEHP's FSA/HRA program with HealthEquity.
- A retiree under age 65 who has gone back to work and elected coverage under the retirement system.
- An employee who does not have employer-sponsored group health insurance coverage.
- An employee who has individual health insurance coverage through the Marketplace.
- An employee whose only other insurance is Medicare, TRICARE, Medicaid, Veterans' Benefits, or other government-sponsored health insurance.
- An employee who is contributing, or whose spouse is contributing, to a Health Savings Account (HSA).

The HealthEquity debit VISA Healthcare Card can only be used for services rendered in 2025. You must file a Pay-Me-Back or Pay-My-Provider claim with HealthEquity for any services rendered in 2024.

Waiver Limited Purpose HRA

The balance remaining in your Waiver Limited Purpose HRA (up to \$2,100) at the end of 2025 will carry over to 2026, as long as you continue to waive your health insurance coverage and elect the Waiver Limited Purpose HRA.

If you have a Waiver Limited Purpose HRA in 2024 and wish to keep it, you do not have to make an election during open enrollment. If you do not wish to keep the Waiver Limited Purpose HRA in 2025, you must make a different election during open enrollment. The Waiver Limited Purpose HRA is available to those who have individual or government-sponsored health insurance, such as Medicare, Medicaid, or TRICARE, and don't need a health plan. This HRA only covers dental and vision expenses incurred by you and your dependents.

Your employer will contribute \$175 per month, up to \$2,100 per year, to your HealthEquity debit VISA Healthcare Card. It will be funded in two equal installments: \$1,050 on January 1 and \$1,050 on July 1.

You have a 90-day run-out period until March 31, 2026, to request reimbursement for eligible HRA expenses that occurred between January 1, 2025, and December 31, 2025.

Note: The Waiver Limited Purpose HRA is not dental or vision insurance, but it may be used to pay for or reimburse you for dental and vision expenses. Examples of expenses that may be reimbursed from your Waiver Limited Purpose HRA include:

- Certain dental fees, such as fees for exams, cleanings, fillings, and crowns.
- Orthodontic treatment.
- Vision fees, including fees for exams, contacts, eyeglasses, and laser vision correction.

HEALTH ACTION

Who Is Eligible for the Waiver Limited Purpose HRA

- Any active employee of a state agency, school board, or certain quasi-governmental agencies, who is eligible for state-sponsored health insurance coverage.
- A retiree who has returned to work who has other health insurance (not with KPPA or TRS).
- Members who are not eligible for the Waiver General Purpose HRA because they have an individual or government-sponsored health insurance plan.

Who Is Not Eligible

- An employee of an agency that does not participate in KEHP's FSA/HRA program with HealthEquity.
- A retiree under age 65 who has gone back to work and elected coverage under the retirement system.

The HealthEquity debit VISA Healthcare Card can only be used for services rendered in 2025. You must file a Pay-Me-Back or Pay-My-Provider claim with HealthEquity for any services rendered in 2024.

Healthcare Flexible Spending Account (FSA)

Consider enrolling in an FSA for 2025 and save on a variety of expenses by paying for them on a pre-tax basis. If you're not currently enrolled, you are paying more in taxes for out-of-pocket healthcare expenses.

You must re-enroll in the Healthcare FSA if you want to elect new contributions into this account for 2025.

A Healthcare FSA lets you put pre-tax money into an account to use for out-of-pocket expenses, such as deductibles, co-payments, and co-insurance for medical claims, as well as prescriptions and some over-the-counter medications and supplies. You can also use a Healthcare FSA to cover dental and vision costs.

The money you elect to contribute for the entire year is available to you on a pre-funded Healthcare VISA card on January 1.

Reasons to Select a Healthcare FSA

- Contribute up to a maximum of **\$3,200 per year before taxes**. The minimum you can contribute is \$120 per year.
- Carry over a minimum of \$50 and a maximum of \$640 from one calendar year to the next. Carryover funds do not count toward the annual contribution maximum of \$3,200.
- You have a 90-day run-out period until March 31, 2026, to request reimbursement for eligible FSA expenses that occurred between January 1, 2025, and December 31, 2025. Any of your funds that are in excess of \$640 that are not used before the run-out period will be forfeited.
- Use your FSA to pay for eligible medical expenses for family members who are considered a tax dependent, even if they are not enrolled in your health plan.

Covered Expenses

- Medical and prescription co-payments.
- Medical and prescription expenses, including over-the-counter (OTC) medications, feminine products, and certain protective equipment, such as face masks and hand sanitizer.
- Certain dental fees.

- Orthodontic treatment.
- Vision fees, including eyeglasses.
- Co-insurance.
- Wheelchairs, crutches, and walkers.

For a full list of covered expenses, go to [healthequity.com](https://www.healthequity.com).

Who Is Eligible

- Employees of state agencies or school boards.
- Employees of certain quasi-governmental agencies.

Contact your Insurance Coordinator for details.

Who Is Not Eligible

- Retirees.
- Employees of an agency that does not participate in KEHP's FSA/HRA program with HealthEquity.

HEALTH ACTION

- If you have not actively elected a Healthcare FSA contribution for two years, your Healthcare FSA will terminate and you will lose any carryover balance.
- Funds from a HealthEquity Healthcare FSA will be used before funds from an HRA.
- Do not use your VISA debit card in 2025 to pay for 2024 expenses.
- You can use the EZ Receipts app to submit reimbursement or to have HealthEquity pay your provider directly using the Pay-My-Provider option.

Child and Adult Daycare FSA

Cut Your Child and Adult Daycare Costs

If you need a child or adult daycare to care for your loved ones while you work, then a Child and Adult Daycare FSA may be right for you. You know how expensive that care can be. But, with a Child and Adult Daycare FSA, you can save money on eligible childcare and adult daycare expenses by using pre-tax dollars.

With a Child and Adult Daycare FSA, you elect an amount to be deducted pre-tax from your paycheck to use to pay eligible expenses below:

- Child or adult care (during work hours only)
- Preschool
- Summer day camp
- Before- and after-school care
- Elder daycare expenses for dependent adults

Just elect to enroll, then choose the amount you wish to contribute to this account. The minimum amount you can contribute is \$120 per year, up to the maximum amount per year that is based on your tax-filing status:

- Married, filing a joint return — \$5,000
- Head-of-household — \$5,000
- Single or Married, filing separate returns — \$2,500

You can arrange for convenient direct payments to your provider using the Pay-My-Provider option on the EZ Receipts app, or you can pay child and adult daycare expenses yourself and request reimbursement.

Who Is Eligible

- Employees of state agencies or school boards.
- Employees of certain quasi-governmental agencies.

Contact your Insurance Coordinator for details.

Who Is Not Eligible

- Retirees.
- Employees of an agency that does not participate in KEHP's FSA/HRA program with HealthEquity.

LivingWell Promise

You are required to complete the LivingWell Promise between January 1, 2025, and July 1, 2025, if you want a health insurance premium discount in 2026.

To complete the Promise, all you have to do is take the Castlight Health Assessment at mycastlight.com/mybenefits. The Health Assessment only takes about 10 minutes to complete and asks various health and lifestyle questions.

Note that you will not get credit for completing the Promise if you do it during Open Enrollment. The Promise must be completed between January 1, 2025, and July 1, 2025.

By completing the Promise, you earn up to a \$480 premium discount (\$40 a month) for plan year 2026.

HEALTH ACTION

If you have the cross-reference payment option, both spouses must fulfill the Promise.

Benefit Programs

Additional benefits at no extra cost to you!

Surgical Care and Support Carrum Health*

Better care begins here! Whether you need cancer care, knee, hip, shoulder, spine, heart, weight loss surgery and more, you can receive most if not all care at no cost to you. Carrum works with the top cancer specialists and surgeons in the country - those who have better outcomes and outstanding bedside manner.

- better care
- no surprise bills

Telehealth through LiveHealth Online*

Healthcare at home or on the go. Get fast, easy, virtual doctor visits whenever you need them. There is no additional cost to you through LiveHealth Online.

LiveHealth Online lets you have a video visit with a board-certified medical doctor, psychiatrist, or therapist from your computer with a camera, tablet, or smartphone.

Feeling under the weather? Have a health question? With LiveHealth Online, the doctor comes to you. In some cases, no appointments are needed. No traveling to a doctor's office and no sitting in the waiting room.

* No coverage for this benefit under the LivingWell HDHP

Some common conditions that can be treated using LiveHealth Online:

- Cold and flu symptoms
- Allergies
- Sinus infections
- Migraines
- Upper respiratory infections
- Bronchitis

Go to livehealthonline.com and log in or download the app to register. Select **LiveHealth Online Medical** and choose the doctor you'd like to see.

Call **888-548-3432** or **844-784-8409**.

Telehealth through providers other than as mentioned above

Telehealth is also a covered benefit with any network provider that offers telehealth. You will be responsible for any cost-share, including your deductible, co-payment, and co-insurance, if you use a telehealth service other than a LivingWell Health Clinic, or LiveHealth Online.

24/7 NurseLine

If you have an emergency or questions for a nurse, you can call 24/7. The NurseLine provides you with accurate health information anytime of the day or night. You will receive one-on-one counseling with experienced nurses via a convenient toll-free number, **877-636-3720**. A staff of experienced nurses is trained to address common healthcare concerns such as medical triage, education, access to healthcare, diet, social and family dynamics, and mental health issues.

Specifically, 24/7 NurseLine features:

- A skilled clinical team — a registered nurse (RN) who helps assess your systems, understands medical conditions, ensures you receive the right care in the right setting, and refers you to programs and tools appropriate for your condition;
- Bilingual RNs, language lines, and hearing-impaired services;
- Access to the Audio Health Library, containing hundreds of audio tapes on a wide variety of health topics;
- Proactive call backs within 24 to 48 hours, referrals to 911 emergency services, poison control, and identification of emergency or urgent care for children; and
- Referrals to relevant community resources.

Tobacco Cessation

Over the Counter and Prescription Medications

You can get over-the-counter nicotine replacement therapies, without a prescription, at no cost if you meet all the following requirements:

- You are a member of KEHP;
- You are a tobacco user (planholder and/or dependent), 18 years old or older, and listed as a tobacco user on the KEHP health insurance form.

Call **888-581-8834** for more information about over-the-counter therapies. You can get prescription medications to help you with quitting tobacco as well! You need a prescription from your doctor and the medication needs to be on the preventive services list that you can find by visiting [here](#).

To take the first step and get more information about the programs available, visit [here](#) or call **844-402-5347**.

Freedom from Smoking

The American Lung Association has helped hundreds of thousands of people quit smoking through Freedom From Smoking. Available in small group clinics or online, Freedom From Smoking helps you develop a plan of action leading to a quit day and provides the support you need to remain smoke free. Based on current addiction and behavior change models, the program addresses the difficulties of quitting in a sensitive, supportive style and is backed by certified tobacco cessation counselors.

Support is available in person, by phone, or through online chat. Visit lung.org/ffs or call **800-LUNGUSA (800-586-4872)**.

Quit Now Kentucky

This phone-based service provides one-on-one help from a trained tobacco cessation counselor. To learn more, call **800-Quit-Now (800-784-8669)**.

In addition to choosing one of the approved programs, these online tools and resources can help you live a tobacco-free life.

- The Centers for Disease Control and Prevention offers cessation tips, tools, and research on their How to Quit website at cdc.gov/tobacco/quit_smoking.
- Visit smokefree.gov, a website dedicated to helping smokers quit. You can access helpful articles, tips, and apps, and build your own plan to quit.

For more information about these programs and resources to help you stop smoking, call **844-402-5347**, Monday through Friday, 8 a.m. to 8 p.m. ET.

Diabetes Benefits

Lark

The Kentucky Employees' Health Plan, through its medical vendor, Anthem, has partnered with Lark to offer a diabetes prevention program at no extra cost to you. After a brief survey, if you are determined to be at risk for type 2 diabetes and enroll in the Lark program, you will receive:

- Access to a customized program through a convenient mobile app.
- 24/7 coaching to help develop habits to lose weight, manage stress, eat healthier, sleep better, and increase activity.
- Personalized feedback and daily check-ins.
- Educational information about prediabetes and preventing type 2 diabetes.
- Tips for managing everyday stress.

Receive a free smart scale upon enrollment and a free Fitbit after reaching certain milestones. See if you qualify at lark.com/anthem.

DSMES

Diabetes Self-Management Education and Support (DSMES) is available to you if you have already been diagnosed with type 1 or type 2 diabetes by your health care provider. No deductible, no co-insurance, and no additional cost to you! DSMES is an educational program for diabetes self-care, as developed through evidence-based practices. DSMES can be taught in a group or an individual setting and can be offered in person or online. Services are typically provided by a registered dietitian or a certified diabetes educator.

The DSMES program format includes weekly classes that focus on learning to eat healthier, being physically active, monitoring blood sugar levels, coping with the emotional side of diabetes, problem solving, reducing the risk for other health problems, and many other related topics.

Ask your physician about how to find a DSMES provider near you or search the **Diabetes Prevention and Control Program at the Cabinet for Health and Family Services website (chfs.ky.gov)**.

Maternity Care

Building Healthy Families

Your maternity program Building Healthy Families provides assistance beyond pregnancy and postpartum.

Building Healthy Families makes it easier to find personalized, on-demand health support for your growing family. As you prepare for a new baby, navigate postpartum, and raise your family, you'll have the resources you need to help you thrive.

With 24/7 access through the SydneySM Health mobile app and **anthem.com**, you can take advantage of program resources anytime, at no extra cost to you. Benefits include:

- A digital library to explore thousands of educational articles and videos on everything from family planning to early parenthood.
- Tracking tools to monitor your prenatal health, as well as diaper changes, growth, and milestones once baby arrives.
- Health support to chat with Care Coaches during pregnancy and connect with virtual lactation support, as needed.

A nurse will be available by phone throughout your pregnancy and postpartum.

Enroll today:

1. Log in to Sydney Health.
2. Find *Featured Programs* at the bottom of the homepage.
3. Select **View All**, then choose the **Building Healthy Families** tile.

Lactation Support through LiveHealth Online

Receive lactation support through LiveHealth Online. You'll have a live health visit with a lactation consultant or registered dietitian for personalized postpartum nutrition and lactation support. Contact LiveHealth Online for lactation and nutrition support at **888-548-3432**.

Joint and Back Pain

Hinge Health*

Hinge Health is a virtual exercise therapy program designed to address back, knee, hip, neck, or shoulder pain. It's convenient and fits your schedule — it can be done anywhere, at any time.

The Hinge Health program is available at no additional cost to you or your eligible dependents who are 18 or older, and enrolled in a KEHP medical plan. Visit HingeHealth.com/KEHP or call **855-902-2777** for more information.

Apply

- Visit hingehealth.com/kehps.
- Fill out the questionnaire.
- Expect a follow-up email within 24-48 hours.

Program Acceptance

- Receive a welcome text from your coach.
- Wait for your kit to arrive within 1-2 weeks.

Receive Kit

- Log in to the app and begin the Hinge Health program.
- Schedule your initial call with your Health Coach.

UK Healthcare Acupuncture*

UK Healthcare Integrative Medicine and KEHP are piloting an acupuncture program at no cost to KEHP members! Services must be provided at UK for acupuncture to be covered. Members can receive up to a maximum of 20 visits in 2025, based on the member's treatment plan. No physician referral is required.

Just call UK Healthcare Integrative Medicine at **859-323-HEAL (4325)**.

Mental and Behavioral Health

RethinkCare

Counsel and Support for Child Caregivers

RethinkCare provides parents and caregivers with the resources and guidance they need to raise their kids. Whether you're looking to solve a particular parenting challenge, or you just want tips and ideas, RethinkCare can help with 24/7/365 support tailored to your family's unique needs. This program is suitable for all

families caring for children and provides specialized support for those raising children with learning, social or behavioral challenges or developmental disabilities.

Get confidential, one-on-one virtual consultations with a dedicated Parenting Expert, available to answer your questions, brainstorm solutions and help find additional resources for you and your child. Learn helpful tips, coping skills, and parenting techniques for a wide variety of challenges that cover all ages and stages of your child's development. Go deeper and take on-demand training courses to help you address your child's behavior, social and emotional growth, attention and focus, academics and much more.

The program has no age restriction, requires no diagnosis, and is completely confidential. Get started anytime. Visit connect.rethinkcare.com/sponsor/kehps and use enrollment code "KEHP". Email support@rethinkcare.com for assistance in signing up or if you have questions.

LiveHealth Online Behavioral Health*

Get fast, easy, virtual psychiatrist and therapist visits whenever you need them. LiveHealth Online lets you have a video visit with a board-certified psychiatrist or therapist from your computer with a camera, tablet, or smartphone.

Some common conditions that can be treated using LiveHealth Online Behavioral Health include:

- Anxiety
- Depression
- Grief
- Panic attacks
- Medication, for those 18 years and older, to help manage a mental health condition

No traveling to a doctor's office and no sitting in the waiting room. For LiveHealth Online Behavioral Health, you can schedule an appointment online, 7 a.m. to 11 p.m. Call **888-548-3432** or **844-784-8409** or visit livehealthonline.com.

Learn to Live

Built on the proven principles of cognitive behavioral therapy (CBT), Anthem provides digital tools that are available anywhere, anytime. These tools can help you identify thoughts and behavior patterns that affect your emotional well-being — and work through them. You'll learn effective ways to manage stress, depression, anxiety, substance use, and sleep issues.

*No coverage for this benefit under the LivingWell HDHP

Personalized, one-on-one coaching: Team up with an experienced coach who can provide support and encouragement by email, text, or phone.

Build a support team: Add friends or family members as teammates. They can help you stay motivated and accountable while you work through programs.

Practice mindfulness on the go: Receive weekly text messages filled with positivity, tips, and exercises to improve your mood.

Live and on-demand webinars: Learn how to improve mental well-being with useful tips and advice from experts.

Take an assessment to find the program that's right for you. To access our Emotional Well-being Resources, log in to [anthem.com](https://www.anthem.com) or the Sydney Health app, go to **My Health Dashboard**, choose **Programs**, and select **Emotional Well-being Resources**.

From there, you will be transferred to the Learn to Live website, where you can register with an email address and password.

Behavioral Health Resource Center and Substance Abuse Disorder Resource Line

If you or someone you know is a KEHP member with a substance use concern, call **855-873-4931**. A staff member will connect you with a clinical expert trained in substance use disorder treatment. You can talk with these experts confidentially about:

- Treatment options.
- Other health or behavioral issues you're having.
- Finding doctors or treatment centers in your health plan that specialize in substance use disorder.
- Online and mobile tools that can help you during and after treatment.

The support line is open 24/7 — so help is available, day or night.

Earn Cash and Premium Discounts!

SmartShopper

EARN CASH by shopping around for your healthcare. Save money on medical care depending on where you go. Prices are not the same across in-network providers for medical tests and procedures and costs can vary from hundreds to thousands of dollars — all based on where you go for the service.

SmartShopper earns you cash incentives (from \$25 to \$850) for getting care at lower-cost locations for MRIs, surgeries, colonoscopies, and more! And now, there are even more locations available for you to save money. SmartShopper has done all of the legwork for you. All you have to do is shop online or call a Personal Assistant for guidance and scheduling assistance. Call **855-869-2133** for details or go online at [smartshopper.com](https://www.smartshopper.com) for more information about earning cash and using this program.

Wellness Rewards

Castlight is the Plan's wellness partner!

You can earn up to \$480 in premium discounts when you complete the LivingWell Promise by July 1. All you have to do is complete a Health Assessment to complete the Promise. You can also earn up to \$200 and your spouse can earn up to \$100 in LivingWell engagement rewards for activities like getting your annual preventive examination, getting other preventive examinations like a colonoscopy or a mammography, completing a dental screening, or participating in step challenges.

The LivingWell program makes it easier to enjoy the little moments that add up to greater health. Tools are available to help you find providers to complete your examinations or connect you to programs that will earn rewards!

Download the Castlight app to register in seconds or visit mycastlight.com/mybenefits.

Terms You Should Know

Co-insurance

Means your share of the cost for covered services that is a percentage of the Maximum Allowed Amount that you must pay. You pay the Co-insurance after you meet your Deductible.

Example: Your plan has a 20% Co-insurance on an office visit amount of \$100. In this case, your Co-insurance Cost-Share of the Maximum Allowed Amount would be \$20, after you have met your Deductible. The plan would then cover the remaining 80% of the Maximum Allowed Amount, or \$80.

Co-payment

Means a fixed-dollar amount that is your share of the cost for certain Covered Services. Co-payments do not apply to the Deductible but do apply to the Maximum Out-of-Pocket. Only the LivingWell PPO plan utilizes Co-payments.

Cost-Share

Means that portion of payment for Covered Services that is your responsibility. Depending on the plan you choose, Cost-Share includes your Deductible, Co-payments, and Co-insurance. Your Cost-Share may vary depending on whether you receive Covered Services from a Network or an Out-of-Network Provider.

Covered Services

Means medically necessary medical care and prescription drugs that are covered under your health plan. Please see the Medical Benefit Booklet and Summary Plan Description for your plan, for more information.

Deductible

Means the amount you must pay for Covered Services before your plan will begin to pay. After you have met your plan's Deductible, you will only be responsible for your Co-insurance and any applicable Co-payment. Some Covered Services, such as preventive care, will be covered by your plan at 100%, without regard to the Deductible.

Formulary

Means a list of prescription drugs covered by a plan offering prescription drug benefits.

Maximum Allowed Amount

Means the maximum dollar amount that the plan will pay for Covered Services provided by a Network or Out-of-Network Provider. The Maximum Allowed Amount may be established by a contract between Anthem or CVS Caremark with a Network Provider or by the plan's coverage rules as outlined in the Medical Benefit Booklets or the Summary Plan Descriptions.

Maximum Out-of-Pocket

Means the maximum amount that you will pay out of pocket for Covered Services under your plan during a given calendar year. When the Maximum Out-of-Pocket is

reached, the plan will pay 100% of the Maximum Allowed Amount for Covered Services, and you are no longer responsible for any Cost-Share.

Medical Benefit Booklet

Means the document that lists the Covered Services for each plan offered by the KEHP as well as the rights and responsibilities of members of the health plan, including but not limited to Deductibles, Co-insurance, Co-payments, preauthorization requirements, coverage exclusions, and claim denial appeal procedures.

Network Provider

Means a physician, health professional, hospital, pharmacy, or other individual, organization, and/or facility that has entered into a contract, either directly or indirectly, with Anthem or Caremark, to provide Covered Services through negotiated reimbursement arrangements.

Out-of-Network Provider

Means a physician, health professional, hospital, pharmacy, or other health care provider that has not entered into a contract, either directly or indirectly, with Anthem or CVS Caremark, to provide Covered Services at the time such Covered Services are rendered.

Qualifying Event

Means a life event, such as marriage or birth of a child that, upon occurrence, will enable an employee to enroll in, change, or terminate health, life, dental, or vision insurance coverage outside the open enrollment period or the enrollment period for newly hired employees.

Statement of Health

Means a questionnaire that documents the overall health of an employee or an employee's spouse who is seeking to increase their optional life insurance coverage limits. The Statement of Health, sometimes referred to as an Evidence of Insurability questionnaire, is a form provided by MetLife, and is used by MetLife to evaluate the life insurance application when you elect coverage at a time other than an applicable open enrollment or as a new hire.

Summary Plan Descriptions

Means the document that lists the prescription drugs covered under each plan offered by the KEHP as well as the rights and responsibilities of members of the health plan, including but not limited to Deductibles, Co-insurance, Co-payments, preauthorization requirements, coverage exclusions, and claim denial appeal procedures. A Summary Plan Description is also available for Health Flexible Spending Accounts, Child and Adult Daycare Flexible Spending Accounts, and Health Reimbursement Arrangements.

New Employee Deadlines

As a new full-time employee, you have 30 days from your date of hire to elect health, FSA, life, dental, and vision insurance.

If you fail to make a health insurance election within the 30 days, you will be enrolled in a Waiver without an HRA. You will also be enrolled in Basic Life Insurance coverage if your employer participates in the Commonwealth's life insurance program.

Dental and Vision coverage are not automatically assigned.

Qualifying Events

KEHP is a federally regulated, Section 125 Cafeteria Plan, which enables you to pay your health, dental, and vision insurance premiums and your Flexible Spending Account contributions with pre-tax dollars. Under Cafeteria Plan rules, there are only three times you can change or cancel your benefit elections during the plan year:

- During the enrollment period when you first become eligible for benefits (see New Employee Deadlines);
- During the annual Open Enrollment period; or
- If you experience a life event, referred to as a Qualifying Event.

What is a Qualifying Event?

A Qualifying Event is a life-changing event or a change in status such as:

- Marriage
- Having or adopting a child
- Divorce
- Loss of other group health insurance
- Court order requiring coverage
- Spouse has a different Open Enrollment period

Other less common qualifying events may apply. If you are unsure whether you have experienced a qualifying event that will allow you to change your insurance benefits, contact your Insurance Coordinator or Human Resource Generalist for additional information.

What You Need to Know About Qualifying Events

Qualifying events can be complicated, and at times, difficult to understand. There are restrictions on the types of changes you can make due to federal qualifying event rules. For instance, a change in a life event or status may not entitle you to change the amount you contribute to a Flexible Spending Account. For that reason, it is very important that you be aware of the following rules and contact your Insurance Coordinator or Human Resource Generalist as quickly as possible after experiencing a qualifying event:

1. Any change in your plan option or coverage level **must be consistent** with the qualifying event you have experienced. For example, you cannot request to remove a dependent from your plan due to birth or adoption.

2. Qualifying Events have **strict deadlines**. Qualifying events require that you complete the Employee Benefits Enrollment Change Form and submit it to your Insurance Coordinator or Human Resource Generalist within 30 calendar days of the event date, in most cases.
3. All qualifying events (except death) require **supporting documentation**. The supporting documentation required for a Qualifying Event will depend on the type of Qualifying Event. Supporting documentation must be submitted together with the Employee Benefits Enrollment Change Form.
4. If you do not sign and date the required Employee Benefits Enrollment Change Form within the deadline, you will not be permitted to make the requested change until the next Open Enrollment period.

Contact your Insurance Coordinator or Human Resource Generalist for questions, assistance, and additional information about Qualifying Events.

Qualifying Events and Other Insurance Benefits

In general, a qualifying event that permits a change in health insurance will also permit a change in dental and vision insurance. Likewise, a qualifying event that permits a change in health insurance will, in most instances, permit a change in life insurance including making a change to or adding optional insurance coverage.

Anthem Optional Dental Insurance

No rate changes for 2025!

You may choose optional employer-sponsored, employee-paid, dental insurance administered by Anthem. Dental benefits make it easier and more affordable to care for your mouth — and smile. Regular dental checkups help your dentist keep your teeth and gums healthy and catch potential issues earlier, when they're easier to treat. Good oral health can also help improve overall health and reduce the risk of diabetes, heart disease, and other serious health conditions.¹

Your dental plan includes:

- Access to a large number of dentists in the plan.
- An extra cleaning if you're pregnant, have diabetes, or another qualifying condition.
- A benefit for a brush biopsy that can help diagnose oral cancer.
- No out-of-pocket costs for most preventive and diagnostic services, including regular cleanings and X-rays, when you see a dentist in the plan's network.
- Easy-to-use online tools, including a Dental Health Assessment, Dental Cost Estimator, and Ask a Dental Hygienist.
- Teledentistry, 24 hours a day, 7 days a week, 365 days a year. Using technology and telecommunications, employees can get dental care remotely, without the need to go to a dentist's office.
- Orthodontic benefits now include at-home clear aligners — Ortho@Home — providing a simple, more budget-friendly option in the Gold plan for children up to age 18.

² In-network rates for each tier, out-of-network reimbursement limitations may apply.

³ Difference in charged amount and out-of-network allowable amount can result in balance billing.

⁴ Dental services exceeding annual benefit maximum(s) are not Covered Services in compliance with applicable state law(s) and participating provider discounts may not apply. Please contact your dentist to determine available discounts prior to obtaining services. For complete coverage details, please refer to your plan certificate or contact member services.

⁵ For replacement of congenitally missing teeth or teeth extracted prior to coverage under this plan.

Anthem Optional Vision Insurance

No rate changes for 2025!

You may choose optional employer-sponsored, employee-paid, vision insurance administered by Anthem. Routine eye checkups are about more than making sure you can see clearly. They're also important to overall health, safety, and learning. Even if you can see well, regular eye exams are important to help keep your eyes healthy – and catch other health problems early.¹

With Blue View VisionSM, you have access to one of the country's largest networks of eye doctors and eye-care retailers. This makes it easy to get eye care at the best time for you.

- 43,000 eye doctors in the Insight Network.²
- 31,000 locations.²
- Online shopping at Glasses.com, ContactsDirect.com, Lenscrafters.com, Targetoptical.com, ray-ban.com/insurance, Oakley.com and 1-800 CONTACTS[®].
- National network of optical retail stores like LensCrafters[®], Target Optical[®], and most Pearle Vision[®] stores.

Your vision benefits cover:

- Adult routine eye exam.
- Frames and either eyeglass lenses or contact lenses for adults.
- Pediatric routine eye exams.
- Frames and either eyeglass lenses or contact lenses for covered children up to age 26. For children up to age 21, UV-blocking Transitions[®] lenses are included to protect their eyes from harmful UV rays and impact-resistant polycarbonate lenses at no extra cost.
- Factory scratch coating on standard eyeglass lenses.

Life Insurance with MetLife

As a Commonwealth of Kentucky public employee, your participating employer provides \$20,000 of basic life insurance coverage to eligible employees at no cost to you. In addition to the free \$20,000 of life coverage, you have the option to purchase additional life insurance for you and your eligible dependents. The basic and optional employee term life insurance plans also provide accidental death and dismemberment (AD&D) benefits, providing additional financial protection in the event of death or injury caused by certain events.

During open enrollment, you can add or make changes to your optional employee and dependent life insurance plan(s) without a Statement of Health.

Outside of open enrollment, you can add or increase optional life insurance. A Statement of Health will be required for Optional Life Insurance for the employee or spouse if outside of Open Enrollment.

Dependents over the age of 26 are not eligible for dependent coverage.

Check with your employer to see if they participate in the Commonwealth's life insurance program.

Remember to keep your life insurance beneficiary information updated in KHRIS ESS.

Optional Life Insurance for Employees

As an employee, if you desire to purchase additional life insurance in addition to the free \$20,000, you can select from the options below:

Employee Coverage Options and Monthly Premiums					
Age	\$10,000	\$25,000	\$50,000	\$100,000	\$150,000
16 – 29	\$0.92	\$2.28	\$4.60	\$9.18	\$13.76
30 – 39	\$1.94	\$4.86	\$9.72	\$19.44	\$29.16
40 – 59	\$4.28	\$10.70	\$21.40	\$42.80	\$64.20
Ages 60 and over	\$6.98	\$17.48	\$34.96	\$69.90	\$104.86

Optional Life Insurance for Dependents

As an employee, you may purchase life insurance on your spouse and dependents. You can select from the available plan options below:

Dependent Coverage Options and Monthly Premiums								
Qualified Dependent	Dependent Option 1	Dependent Option 2	Dependent Option 3	Dependent Option 4	Dependent Option 5	Dependent Option 6	Dependent Option 7	Dependent Option 8
Spouse	\$10,000	\$20,000	\$50,000	\$10,000	\$20,000	\$50,000	\$0	\$0
Child under 6 months	\$2,500	\$2,500	\$2,500	\$0	\$0	\$0	\$2,500	\$2,500
Child 6 months to age 26	\$5,000	\$10,000	\$10,000	\$0	\$0	\$0	\$5,000	\$10,000
Premium	\$8.18	\$16.34	\$35.90	\$6.54	\$13.04	\$32.60	\$2.70	\$5.40

Deferred Compensation

Put this benefit to work for you

What is Kentucky Deferred Compensation?

Kentucky Deferred Compensation (KDC) is a tax-deferred retirement savings plan offered to all state employees, public school employees, university employees, and employees of local political subdivisions that have elected to participate.

Why participate?

Chances are Social Security benefits, plus your state and other system retirement, will not provide enough income to maintain your current standard of living. By contributing to a supplemental retirement plan, you consistently save with the goal of having additional income at retirement. KDC helps bridge the gap between what you'll collect from your pension and what you need for retirement.

Easy contributing — Contribute as little as \$30 per month or \$15 per pay.

Convenient — Contributions are automatically deducted from your paycheck.

Tax advantages — No federal or state income taxes on pre-tax contributions and earnings until the money is paid to you.

Low cost — As a KY State Government program, there is no profit incentive, and savings are passed on to participants.

Accessible — Manage your account online anytime, day or night.

Personal service — Local Retirement Specialists are available across the Commonwealth.

Easy enrollment — Only one form and a few minutes to begin.

Target Date Retirement Funds from Vanguard	Your own strategy	Nationwide ProAccount[®]
<ul style="list-style-type: none"> Invest in the fund that's closest to the year in which you expect to retire or take a distribution. The fund is managed, automatically rebalanced, and designed to become gradually more conservative as the selected date approaches. 	<ul style="list-style-type: none"> Define your investment goals and strategy. Select funds from KDC's Investment Guide. Use the My Investment PlannerSM tool for free investment recommendations that are right for you.² Opt for automatic rebalancing to keep investments in line with your goals. Spend the time and energy to manage your own investments. 	<ul style="list-style-type: none"> Professional investment managers select funds from KDC's lineup based on your age, risk tolerance, and investment goals. These managers actively manage your account according to the information you provide. Wilshire, a leading provider of investment products and services, actively manages your account, including periodic rebalancing according to the information you provide. Pay for this service through an additional asset management fee deducted from your account balance each quarter.

Employees can enroll anytime. Let us help. Call 800-542-2667 or 502-573-7925 or find us online at kentuckydcp.ky.gov.

1 The Vanguard Target Retirement Funds Invest in a wide variety of underlying funds to help reduce investment risk. Their expense ratio represents a weighted average of the expense ratios and any fees charged by the underlying mutual funds in which the Vanguard Target Retirement Funds invest. The Vanguard Target Retirement Funds do not change any expenses or fees of their own. Like other funds, Vanguard Target Retirement Funds are subject to market risk and loss. Loss of principle can occur at any time, including before, at or after the target date. There is no guarantee that target date funds will provide enough income for retirement.

2 Investment advice for Nationwide ProAccount is provided to plan participants by Nationwide Investment Advisors LLC (NIA), an SEC-registered investment advisory. NIA has retained Wilshire Associates as the Independent Financial Expert for Nationwide ProAccount. Wilshire Associates is not an affiliate of NIA or KDC. Nationwide Investment Advisor LLC (NIA) is not affiliated with Wilshire Associates or KDC.

Investing involves market risk, including possible loss of principal. No investment strategy or program can guarantee a profit or avoid loss. Actual results will vary depending on your investment and market experience.

KDC Retirement Specialists are Registered Representatives of Nationwide Investment Services Corporation (NISC), member FINRA. Nationwide representatives cannot offer investment, tax, or legal advice. You should consult your own counsel before making retirement plan decisions.

Legal Notices

As a member of the Kentucky Employees' Health Plan (KEHP), you have certain legal rights. Several of those rights are summarized below. Please read these provisions carefully. To find out more information, you may contact the Department of Employee Insurance, Member Services Branch at (888) 581-8834 or (502) 564-6534 or visit kehp.ky.gov.

A. NOTICE ABOUT SPECIAL ENROLLMENT RIGHTS

Under the Health Insurance Portability and Accountability Act (HIPAA), you have "special enrollment" rights if you have a loss of other coverage or you gain a new dependent. In addition, you may qualify for a special enrollment in KEHP under the Children's Health Insurance Program Reauthorization Act of 2009 (CHIPRA).

1. HIPAA Special Enrollment Provision - Loss of Other Coverage

If you decline enrollment for yourself or your eligible dependent(s) (including your spouse) because of other health insurance or group health plan coverage (regardless of whether the coverage was obtained inside or outside of a Marketplace), you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

2. HIPAA Special Enrollment Provision - New Dependent as a Result of Marriage, Birth, Adoption, or Placement for Adoption

If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependent(s). However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

3. CHIPRA Special Enrollment Provision - Premium Assistance Eligibility

If you or your children are eligible for Medicaid or the Children's Health Insurance Program (CHIP) and you're eligible for health coverage from your employer, Kentucky may have a premium assistance program that can help pay for coverage using funds from the state's Medicaid or CHIP programs. If you or your dependent(s) are eligible for premium assistance under Medicaid or CHIP, as well as eligible for health insurance coverage through KEHP, your employer must allow you to enroll in KEHP if you aren't already enrolled. This is called a "special enrollment" opportunity, and you **must request coverage within 60 days of being determined eligible for premium assistance**. In addition, you may enroll in KEHP if you or your dependent's Medicaid or CHIP coverage is terminated because of loss of eligibility. An employee must request this special enrollment within 60 days of the loss of coverage. You can find more information and the required CHIP notice at kehp.ky.gov (Resources/Docs, Forms, and Legal Notices link).

B. WELLNESS PROGRAM DISCLOSURE AND NOTICE

LivingWell is KEHP's voluntary wellness program available to all persons who enroll in a KEHP health insurance plan and their enrolled spouse. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease. Those federal rules include the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program, you will be asked to complete a voluntary health assessment (or "HA") that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You are not required to complete the HA. However, employees who choose to participate in the LivingWell wellness program will receive an incentive in the form of discounted employee premium contributions for the employee's health insurance coverage. Although you are not required to complete the HA, only employees who do so will receive the discounted health insurance premiums.

Additional incentives in the form of gift cards, consumer goods, and other prizes may be available for employees who participate in certain health-related activities such as walking challenges or quitting smoking. In addition, KEHP offers discounted, monthly employee premium contribution rates to non-tobacco users. Each KEHP member has at least one opportunity per Plan Year to qualify for the monthly premium contribution discount.

KEHP is committed to helping you achieve your best health. Incentives for participating in KEHP's LivingWell wellness program are available to all persons who enroll in a KEHP health insurance plan and their enrolled spouse. If you are unable to participate in any of the health-related activities, or you think you might be

unable to meet a standard to earn an incentive under the LivingWell wellness program, you may request a reasonable accommodation or an alternative standard. Contact the Department of Employee Insurance, Member Services Branch at (888) 581-8834 or (502) 564-6534 and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same incentive that is right for you in light of your health status.

Protections from Disclosure of Medical Information: KEHP is required by law to maintain the privacy and security of your personally identifiable health information. KEHP does not collect or retain personal health or medical information through its LivingWell wellness program unless it is part of an audit, compliance, payment, operations, or customer service review; however, KEHP may receive and use aggregate information that does not identify any individual in order to design programs based on health risks identified in the workplace and that are aimed at improving the health of KEHP members. KEHP will never disclose any of your personal information either publicly or to your employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program. You will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individuals who may receive your personally identifiable health information are persons employed by Castlight (KEHP's wellness administrator) and Anthem (KEHP's third-party medical administrator). This may include nurses in Anthem's disease management program or health coaches. Disclosure of your personally identifiable health information to these persons is necessary in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records; information stored electronically will be encrypted; and no information you provide as part of the wellness program will be used in making any employment decision.

Appropriate precautions will be taken to avoid any data breach. In the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you as soon as it is feasible after discovery of the breach.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the LivingWell wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact the Department of Employee Insurance, Member Services Branch at (888) 581-8834 or (502) 564-6534.

C. THE CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT OF 1986 (COBRA)

COBRA continuation coverage is a continuation of KEHP coverage when it would otherwise end because of a life event, also called a "qualifying event." After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." Qualified beneficiaries may elect to continue their coverage under the plan for a prescribed period of time on a self-pay basis. **Each qualified beneficiary has 60 days to choose whether or not to elect COBRA coverage, beginning from the later of the date the election notice is provided, or the date on which the qualified beneficiary would otherwise lose coverage under KEHP due to a qualifying event.** The KEHP's third-party COBRA administrator is HealthEquity. To learn more about COBRA and your rights under COBRA, please refer to the Medical Benefit Booklet or go to kehp.ky.gov (Resources/Docs, Forms, and Legal Notices link).

D. THE WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998 (WHCRA)

Your plan, as required by WHCRA, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema. For more information regarding this coverage, please refer to your Medical Benefit Booklet or go to kehp.ky.gov (Resources/Docs, Forms, and Legal Notices link).

E. NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT OF 1996 (NEWBORNS' ACT)

Under federal law, group health plans generally may not restrict benefits for a hospital stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 (or 96, as applicable) hours. In any case, health insurance plans may not require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 (or 96) hours.

F. HIPAA PRIVACY NOTICE

KEHP gathers and collects demographic information about its members such as name, address, and social security numbers. This information is referred to as individually identifiable health information and is protected by HIPAA and related privacy and security regulations. HIPAA requires KEHP to maintain the privacy of your protected health information (PHI) and notify you following a breach of unsecured PHI. In addition, KEHP is required to provide to its members a copy of its Notice of Privacy Practices (NPP) outlining how KEHP may use and disclose your PHI to carry out treatment, payment, or health care operations, or for any other purposes that are permitted or required by law. The NPP also informs members about their rights regarding their PHI and how to file a complaint if a member believes their rights have been violated. KEHP's Notice of Privacy Practices and associated forms may be obtained by visiting kehpnky.gov (Resources/Docs, Forms, and Legal Notices link).

G. KEHP PRESCRIPTION DRUG COVERAGE AND MEDICARE-NOTICE OF CREDITABLE COVERAGE

KEHP has determined that KEHP's prescription drug coverage is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

H. NOTICE OF AVAILABILITY OF SUMMARY OF BENEFITS AND COVERAGE (SBC)

As an employee or retiree, the health benefits available to you represent a significant component of your compensation/retirement package. Those benefits also provide important protection for you and your family in the case of illness or injury. KEHP offers a variety of health coverage options, and choosing the option that is right for you and your family is an important decision. To help you make an informed health coverage choice, KEHP publishes a Summary of Benefits and Coverage (SBC). For easier comparison, the SBC summarizes important information about your health coverage options in a standard format. The SBCs are only a summary. You should consult KEHP's Summary Plan Descriptions and Medical Benefit Booklets to determine the governing contractual provisions of the coverage. KEHP's SBCs are available on KEHP's website at kehpnky.gov (Resources/Docs, Forms, and Legal Notices link). A paper copy is also available, free of charge, by contacting the Department of Employee Insurance, Member Services Branch at **(888) 581-8834** or **(502) 564-6534**.

I. WAIVER HEALTH REIMBURSEMENT ARRANGEMENT (HRA)

If an employer participates in the Waiver Health Reimbursement Arrangement (HRA) program through KEHP, an employee may elect to waive KEHP health insurance coverage and choose a Waiver HRA that is funded by the employer, up to \$2,100 a year. There are two Waiver HRA options: the Waiver General Purpose HRA and the Waiver Limited Purpose HRA. An employee is eligible for the Waiver General Purpose HRA only if the employee, and the employee's spouse and dependents, if applicable, have other group health plan coverage. An employee that elects a Waiver General Purpose HRA must attest that the employee and, if applicable, the employee's spouse and dependents are enrolled in another group health plan that provides minimum value. A "group health plan" refers to coverage provided by an employer, an employer organization, or a union. A "group health plan" does not include individual policies purchased through the Marketplace or governmental plans such as TRICARE, Veteran's Benefits, Medicare, or Medicaid. A group health plan that provides "minimum value" means the plan pays at least 60% of the total allowed cost of covered benefits/services and participants or members in the plan are required to pay no more than 40% of the total allowed cost of covered benefits/services. An employee that elects a Waiver General Purpose HRA and that ceases to be covered under another group health plan that provides minimum value is required to notify KEHP within 30 days of the date that the other group health plan coverage ceased. In this event, coverage under the Waiver General Purpose HRA will be terminated, and the employee may elect a KEHP health insurance plan option or the Waiver Limited Purpose HRA. Each employee is permitted to permanently opt out of and waive future reimbursements from the Waiver General Purpose HRA at least annually during open enrollment.

KEHP Tobacco Use Declaration

The Commonwealth of Kentucky is committed to fostering and promoting wellness and health in the workforce. As part of KEHP's LivingWell wellness program, KEHP offers a monthly discount in health insurance premium contribution rates for non-tobacco users. You are eligible for the non-tobacco-user premium contribution rates provided you certify, during the health insurance enrollment process, that you or any other person over the age of 18 to be covered under your plan has not regularly used tobacco within the past six months. "Regularly" means tobacco has been used four or more times per week on average excluding religious or ceremonial uses. "Tobacco" means all tobacco products including, but not limited to, cigarettes, pipes, chewing tobacco, snuff, dip, cigars, and any other tobacco products regardless of the method of use. "KEHP Health Insurance Enrollment Application" refers to any method of enrolling in KEHP health insurance coverage including submitting a paper application, completing and submitting an application online, or enrolling in KEHP health insurance coverage through an online enrollment system such as KHRIS.

Whether you complete your KEHP health insurance enrollment online or submit a paper application, you are required to certify that all attestations regarding tobacco use are accurate. By completing the enrollment process, you certify the following:

1. I have truthfully answered all questions in my KEHP Health Insurance Enrollment Application regarding tobacco use by me, my spouse, and my dependents 18 years of age and over. My KEHP Health Insurance Enrollment Application accurately reflects the use of tobacco products in the past six months regarding myself and persons to be covered as a spouse or dependent under my insurance plan.
2. If I am completing my KEHP Health Insurance Enrollment Application during open enrollment, I understand that the tobacco-user premium contribution rates will apply beginning January 1, 2025, if I answered "Yes" to the tobacco use question.
3. If I am completing my KEHP Health Insurance Enrollment Application as a newly hired employee, I understand that the tobacco-user premium contribution rates will apply beginning on the first day of the second month after my hire date, if I answered "Yes" to the tobacco use question for non-commonwealth paid employees and up to the first day of hire for commonwealth paid employees.
4. I understand that it is my responsibility to notify KEHP of any changes in my tobacco use or that of my spouse or a dependent covered under my insurance plan, including notification to KEHP if all tobacco users become ineligible for coverage or are otherwise terminated during the Plan Year. Notification shall be made by completing a Tobacco Use Change Form.
5. I understand that if I or a spouse or dependent to be covered under my insurance plan currently use tobacco products and stop using tobacco products during the Plan Year, I will be eligible for the discount non-tobacco premium contribution rates on the first day of the month following the signature date on the Tobacco Use Change Form certifying that neither I nor my spouse/dependent(s) regularly used tobacco products during the six months prior to completion of the Tobacco Use Change Form. Both cross-reference planholders must sign the Tobacco Use Change Form.
6. I understand that if I answered "No" to the tobacco use question, and either I or a spouse or dependent covered under my insurance plan becomes a regular tobacco user at any time, I must notify KEHP and my contribution rates will be adjusted to the tobacco-user premium contribution rates on the first day of the month following the signature date on the Tobacco Use Change Form.
7. I understand that the tobacco use question is a part of my KEHP application for health insurance coverage. Any person who knowingly, and with the intent to defraud, files an application for insurance containing any materially false information, or who conceals, for the purpose of misleading, information concerning any fact material to the application, commits a fraudulent insurance act which is a crime.
8. I understand that if I fail to answer the tobacco use questions truthfully, KEHP may adjust my contribution rates retroactively to apply the applicable higher tobacco-user premium contribution rates. Upon written notification, I will pay to KEHP the difference between the tobacco-user and the non-tobacco user premium contribution rates for the period for which I falsely certified eligibility for the non-tobacco user premium contribution rates.
9. The KEHP offers monthly discounted premium contribution rates to non-tobacco users as a part of its LivingWell wellness program. Each KEHP member has at least one opportunity per Plan Year to qualify for the discount. KEHP is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all employees. If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact the Department of Employee Insurance at **(888) 581-8834** or **(502) 564-6534** and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.

Terms and Conditions

Below are the Terms and Conditions for participation in group life, dental, vision, and health insurance coverage administered by the Department of Employee Insurance (DEI).

An Employee and Retiree (where applicable) may affix a signature to a paper copy of the KEHP Health Insurance Enrollment Application, the Group Life Insurance Application, the Group Dental or Vision Applications, or an electronic version of the applications. By typing your name on an electronic application or by logging in and using your unique KHRIS User ID and enrolling through the Employee Self-Service portal, you are agreeing to conduct enrollment in life, health, dental, and vision insurance coverage by electronic means, thereby creating a legal and binding contract, as well as consenting to receiving any and all records or disclosures in electronic form at the election of DEI or your employer as described in Section AA below. By affixing your signature in either manner, you understand and agree that:

A. PLAN YEAR. The 2025 Plan Year begins January 1, 2025 and ends at midnight on December 31, 2025.

B. EFFECTIVE DATE OF ELECTIONS. If you are electing a health plan, dental plan, vision plan, or a Flexible Spending Account (FSA) during open enrollment, the coverage will be effective January 1 of the following Plan Year. If you are a new employee or a newly eligible employee electing insurance coverage or an FSA outside of open enrollment, the FSA and your insurance coverage will be effective the first day of the second month after a new employee or newly eligible employee is eligible to enroll for non-commonwealth paid employees and up to the first day of hire for commonwealth paid employees. Employees enrolling in life insurance must be actively at work, full time, on the day the employee's insurance is scheduled to begin.

C. PLAN INFORMATION. You have read and understood the 2025 Benefits Selection Guide (BSG). Plan rules and limitations are contained in the KEHP Summary Plan Descriptions (SPD) or Medical Benefit Booklets (MBB) and the Summary of Benefits and Coverage (SBC). Life, dental, and vision insurance rules and limitations are outlined in Certificates of Coverage (CoC). All benefits for your eligible dependents and you will be provided in accordance with the rules and limitations in the SPDs, MBBs, BSG, SBCs, and CoCs. You will abide by all terms and conditions governing participation, membership, and receipt of services from the plan(s) in which you have enrolled and as set forth in the SPD, MBB, and CoC. In the event of a conflict between the terms of coverage stated in the SPDs, the MBBs, the BSG, the SBCs, and the CoCs, the terms of coverage stated in the SPDs or MBBs and CoCs will govern.

D. THIRD PARTY ADMINISTRATORS. DEI uses third parties, including Anthem, CVS/Caremark, HealthEquity, Castlight, SmartShopper, and Metropolitan Life Insurance Company (MetLife) to provide certain administrative functions. DEI may communicate with you directly or through these third parties about your insurance coverage, your benefits, or health-related products or services provided by or included in the Commonwealth's group health, dental, vision, or life insurance plans.

E. CROSS-REFERENCE. The cross-reference payment option for health insurance may be available to spouses who are both eligible to participate in KEHP and have at least one dependent. If your spouse and you are eligible and elect the cross-reference payment option for health insurance, you are planholders with family coverage. Upon a loss of eligibility by either spouse, the remaining planholder will default to a parent-plus coverage level. The cross-reference payment option ceases upon loss of eligibility or employment by either spouse/planholder. NOTE: Effective 1/1/2025, there will not be new cross-reference plans offered for newly eligible enrollees. Planholders with existing eligibility for cross-reference plans may have such eligibility extended past 1/1/2025.

F. DEPENDENT ELIGIBILITY. You certify that each enrolled dependent meets the dependent eligibility requirements as set forth in the SPDs, MBBs, and CoCs. DEI will require supporting documentation to verify the eligibility of any dependent enrolled or requesting to be enrolled in benefits. Spouses and step-children may be subject to periodic re-verification upon notice to you. Your failure to properly document dependent eligibility will result in the termination of the unverified dependent from your insurance plan(s).

G. CHANGING ELECTIONS. The elections indicated by your KEHP Health Insurance Enrollment Application, Group Dental or Vision Application, Group Life Insurance Application, or online enrollment may not be changed or cancelled during the Plan Year without a permitted Qualifying Event.

H. DEDUCTION FROM EARNINGS. When you enroll in insurance coverage (health, dental, vision, or life) or an FSA, you authorize your employer to deduct from your earnings the amount required to cover your employee contribution to the FSA and insurance coverage you elected, including any arrears you may owe. Deductions for FSA and the employee contributions to health, dental, and vision insurance are made on a pre-tax basis unless you sign a Post-Tax Request Form. Deductions for life insurance premiums are made on a post-tax basis.

I. PRIORITY OF PAYMENTS. Any moneys submitted to DEI that you intend to be used to fund your FSA or pay for insurance premium contributions may first be used to pay other priority debts that may be due and owing, such as taxes and child support.

J. CHILD AND ADULT DAYCARE FSA ELECTION AND CARRYOVER. If you choose a Child and Adult Daycare FSA, you are eligible to seek reimbursement, as authorized by 26 U.S.C. Sections 21 and 129, for dependent care expenses. You may elect to contribute up to \$2,500 (or \$5,000 in the case of an Employee who is married and filing jointly) into a Child and Adult Daycare FSA for Plan Year 2025. The Child and Adult Daycare FSA may only reimburse eligible dependent care expenses that are incurred during the applicable coverage period. Funds in your Child and Adult Daycare FSA may only be used to reimburse eligible child and adult daycare expenses and may not be refunded upon termination of the FSA for any reason. Funds contributed into a Child and Adult Daycare FSA will not carryover to the next plan year.

K. HEALTHCARE FSA ELECTION AND CARRYOVER. You may elect to contribute up to \$3,200 into a Healthcare FSA for Plan Year 2025 to pay for eligible health care expenses not paid for by your health insurance plan. Unused amounts of at least \$50 and up to a maximum of \$640 remaining in your Healthcare FSA at the end of the Plan Year will carry over to the next Plan Year and may be used to reimburse you for eligible expenses that are incurred during the subsequent Plan Year. You may use the Healthcare FSA carry over amounts whether or not you elect a Healthcare FSA for the subsequent Plan Year. Amounts over \$640 remaining in your Healthcare FSA at the end of the Plan Year are forfeited. All funds remaining in a Healthcare FSA account where there have been no new contribution elections for two consecutive Plan Years will be forfeited.

L. HEALTHEQUITY HEALTHCARE CARD. HealthEquity will administer FSAs and HRAs for the 2025 Plan Year and will issue a HealthEquity Healthcare Card to you for the payment of eligible Healthcare FSA and HRA expenses. Your HealthEquity Healthcare Card will be suspended if requested claim verification is not sent to HealthEquity within ninety (90) days after the card swipe. You agree to follow all rules and guidelines established by the Plan concerning the HealthEquity Healthcare Card. The Plan reserves the right to deny access to the card, require repayment, deduct/withhold from your paycheck, and offset your Healthcare FSA or HRA if you fail to verify a claim.

M. WAIVING HEALTH INSURANCE COVERAGE. If you elect to waive KEHP health insurance coverage, with or without a Waiver Health Reimbursement Arrangement (HRA), you are doing so voluntarily. If your employer participates in the Waiver HRA program, there are two options available: the Waiver General Purpose HRA and the Waiver Limited Purpose HRA. You understand that you will be eligible for the Waiver General Purpose HRA only if you have other group health plan coverage. You further understand that your spouse and eligible dependents, if applicable, cannot be covered under the Waiver General Purpose HRA unless your spouse and dependents also have other group health plan coverage.

N. WAIVER GENERAL PURPOSE HRA RULES. If you elect a Waiver General Purpose HRA, you declare that you and your spouse and dependents, if applicable, are enrolled in another group health plan that provides minimum value. A "group health plan" refers to coverage provided by an employer, an employer organization, or a union. A "group health plan" does not include individual policies purchased through the Marketplace or governmental plans such as TRICARE, Veteran's Benefits, Medicare, or Medicaid. A group health plan that provides "minimum value" means the plan pays at least 60% of the total allowed cost of covered benefits/services and participants or members in the plan are required to pay no more than 40% of the total allowed cost of covered benefits/services. If you elect a Waiver General Purpose HRA and cease to be covered under another group health plan that provides minimum value, you agree to notify KEHP within 30 days of the date that the other group health plan coverage ceased. In this event, coverage under the Waiver General Purpose HRA will be terminated and you may elect a KEHP health insurance plan option or the Waiver Limited Purpose HRA. Unused funds remaining in the Waiver General Purpose HRA upon termination are forfeited. You are permitted to permanently opt out of and waive future reimbursements from the Waiver General Purpose HRA at least annually at open enrollment.

O. HRA CARRYOVER. Waiver HRAs: Unused amounts up to and including \$2,100 remaining in your Waiver HRA at the end of the Plan Year may be carried over to the next Plan Year provided you are eligible to elect an HRA. CDHP Integrated HRAs: Unused amounts up to and including \$7,500 remaining in your CDHP Integrated HRA at the end of the Plan Year may be carried over to the next Plan Year. You must elect the same type of HRA in a subsequent Plan Year for the funds to carry over.

Terms and Conditions

P. WAIVER HRA/FSA FUNDS AFTER TERMINATION. You may use funds remaining in a Waiver HRA or FSA after termination to reimburse you for eligible expenses incurred during the coverage period and prior to termination of the HRA or FSA. Upon termination of employment, including retirement, the remaining amounts in a Waiver HRA and FSA are forfeited, except that you may be reimbursed for any eligible expenses incurred prior to the last day of the last pay period worked, provided that you file a claim by March 31 following the close of the Plan Year in which the expense was incurred.

Q. HRA AND FSA EXPENSE REIMBURSEMENT. An HRA and/or Healthcare FSA may only reimburse you for medical expenses, as authorized by 26 U.S.C. Sections 105(b) and 213(d), that are incurred during the applicable coverage period. Federal law now permits you to use your HealthEquity card to pay for over-the-counter (OTC) medications, drugs, menstrual care products, and certain personal protective equipment such as face masks, hand sanitizer, and sanitizing wipes. The Waiver Limited Purpose HRA may only reimburse you for eligible dental and vision expenses. If you have an FSA and an HRA, funds for eligible expenses will be reimbursed from your FSA first before being reimbursed from your HRA.

R. HRA AND FSA RUN-OUT PERIOD. You have a 90-day run-out period (until March 31) for reimbursement of eligible FSA and HRA expenses incurred during the period of coverage.

S. MINIMUM ESSENTIAL COVERAGE. KEHP provides plan options that, under the Affordable Care Act, constitute minimum essential coverage that is affordable and provides a minimum value. As such, by receiving an offer of coverage through your employer, neither you, your spouse, nor your dependent(s) are eligible for a health insurance premium tax credit if purchasing insurance through the Marketplace.

T. COORDINATION OF KEHP HEALTH PLANS AND MEDICARE COVERAGE. In general, the three KEHP plan options and the Waiver General Purpose HRA must pay primary to Medicare. The Waiver Limited Purpose HRA pays secondary to Medicare.

U. LIVINGWELL PROMISE. Federal law allows KEHP to reward members who participate in the KEHP's LivingWell wellness program. In 2025, all four KEHP health plans are a part of the KEHP's LivingWell wellness program and require completion of the LivingWell Promise in order to receive premium discounts in Plan Year 2026.

If you fulfilled your LivingWell Promise in 2024, you will receive a monthly premium discount of up to \$40.00 in 2025. If you did not fulfill your LivingWell Promise, you will not receive a monthly premium discount in 2025.

If you elect a KEHP health plan in 2025, you must complete a Health Assessment provided by Castlight between January 1, 2025, and July 1, 2025, to receive a premium discount in 2026. If you are a new employee with a hire date after January 1, 2025 and you choose a LivingWell plan option outside of open enrollment, you will not be required to complete the LivingWell Promise to receive the premium discount in 2026.

V. INSURANCE DEPENDENT ELECTIONS AND PREMIUM REFUND. It is your responsibility to timely notify DEI that either your dependent or your spouse is no longer eligible for life insurance coverage. (See the eligibility provisions CoC for more information on eligibility). "Timely" notice means that you advised DEI that a dependent or spouse is no longer eligible for insurance coverage within 90 days of the loss of eligibility. Upon notice that a dependent or spouse is no longer eligible for insurance coverage, DEI will refund your premium back to the date that eligibility ceased, up to a maximum of 90 days.

W. HIPAA. You have rights under HIPAA regarding the protection of your health information. KEHP will comply with the HIPAA Privacy and Security rules, and uses and disclosures of your protected health information will be in accordance with federal law. KEHP may use and disclose such information to business associates or other third parties only in accordance with KEHP's Notice of Privacy Practices available at kehp.ky.gov (Resources/Docs, Forms, and Legal Notices link).

X. FRAUD WARNING. Any person who knowingly, and with the intent to defraud, files an application for insurance containing any materially false information

(including a forged signature or incorrect signature date), or conceals, for the purpose of misleading, information concerning any fact material thereto, commits a fraudulent insurance act which is a crime. You can be held responsible for any fraudulent act that you could have prevented while acting within your duties related to obtaining employer-sponsored health, dental, vision, and life insurance, and it may be used to reduce or deny a claim or to terminate your coverage. Information contained in your life insurance benefit elections, if incorrect or misleading, may void the policy effective as of the date of issuance.

Y. ACKNOWLEDGEMENT. You have fully read these Terms and Conditions, the KEHP Legal Notices, and the KEHP Tobacco Use Declaration. Your signature on the KEHP Health Insurance Enrollment Application, the Group Dental or Vision Applications, the Group Life Insurance Application, or your electronic signature used for online enrollment certifies that all information provided during this enrollment opportunity is correct to the best of your knowledge.

Z. EXCEPTIONS MAY APPLY. Exceptions may apply to employees of certain employers participating in KEHP's health plan and the Commonwealth's group dental, vision, and life insurance benefits. Exceptions may also apply to TRS, KPPA, KCTCS, LRP, and JRP retirees. Please refer to the participation rules of your employer or retirement system for further information.

AA. CONSENT TO ELECTRONIC DISCLOSURES. You consent to receiving any and all communications, including records, disclosures, or coverage information (or any portion of the same) in electronic form, including by email or through KHRIS, at the election of DEI, the Insurance Coordinator/Human Resource Generalist communicating on DEI's behalf, or a vendor utilized by DEI or your employer for the administration of your insurance benefits. You may still receive paper documents from time to time, or may be required to complete and sign paper documents. You also acknowledge that you may print or save any electronic communication or agreement for your records and later review. You must have access to a computer and web browser that is sufficiently up to date to access the KEHP/KHRIS website and access to an email that accepts external email. You may request a paper copy of any electronic record or disclosure by contacting your employer's insurance coordinator. A fee may be charged for each paper copy. You may withdraw consent to obtain electronic records and notices by contacting your employer's insurance coordinator with the request and filling out any necessary form.
